## City of Winder

MAYOR  
 David Maynard

CITY ADMINISTRATOR  
 Donald Toms

May 23, 2014

The Honorable Mayor David Maynard  
 Members of the City Council and Citizens of the City of Winder

We are pleased to present to the citizens of Winder, members of City Council, City employees, and other interested parties our recommended annual budget for the fiscal year ending June 30, 2015. The recommendations are based on a great deal of study and review by our management team working closely with the Mayor and Council. It is a consensus that the City continue to provide high level of services for the citizens, customers, and visitors of the City of Winder. The goal of the City is to maintain and improve the City's quality of services while preserving the City's financial position without putting unjust financial burdens on our citizens.

### Budget Highlights

- The City's FY 2014-2015 operating budget increased by \$3,621,800, or 12.2%, over the FY 2013-2014 operating budget; and increased by \$4,752,700, or 16.6%, over the FY 2012-2013 operating budget. The comparisons are as follows:

Funds	FY 2013	FY 2014	FY 2015
General Fund	\$ 9,343,300	\$ 9,674,600	\$ 10,205,200
Television Station Fund	144,500	183,200	195,900
Police Escrow Fund	5,000	5,000	5,000
Festivals Fund	70,000	49,700	-
Hotel Motel Fund	25,000	20,900	20,900
Grant Fund	145,100	-	-
Water Fund	10,623,500	10,353,200	11,174,900
Environmental Protection Services Fund	445,400	485,500	156,500
Gas Fund	6,444,600	6,384,800	8,138,800
Solid Waste Fund	683,100	696,200	655,700
Special Facilities Fund	319,700	556,600	542,700
Chimneys Golf Course Fund	-	-	934,900
Utility Services Fund	-	851,600	736,400
Fleet Maintenance Fund	296,700	-	-
Downtown Development Authority	69,000	-	-
Building Fund	-	484,500	600,700
<b>Total</b>	<b>\$ 28,614,900</b>	<b>\$ 29,745,800</b>	<b>\$ 33,367,600</b>

- During FY 2014, the City purchased the Chimneys Golf Course which added approximately \$1 million to the City's overall budget.
- The Gas Fund has the largest increase in budgeted expenses due to the increase in the forecasted cost of natural gas based on past trends. The expected increase is approximately 27.5% over the FY 2014 budget. The cost of natural gas for FY 2014 is trending to cost the City \$1 million more than budgeted.
- The City's total cost of personal services is approximately 31% of the total operating budget. The FY 2015 budget reflects a 5% increase in insurance costs and 3% possible merit raise for the employees.
- The City will fund the Winder Library with \$130,000, which is an additional \$30,000 over the original budget for FY 2014. On October 8, 2013, the Winder City Council voted to amend the FY 2014 budget by increasing the funding to the Library by the additional \$30,000. This was a 30% increase over the previous 5 years.
- The Winder Downtown Development Authority will receive \$50,000 in funding from the City of Winder. This is a decrease of \$22,000 from the FY 2014 budget.
- The City of Winder assumes that all capital purchases will be acquired with proceeds from debt or revenues that exceed expenditures.
- Upon approval of the FY 2014-2015 Budget, the City of Winder will increase its capital threshold for infrastructure to \$25,000 from \$5,000.

- The City continues to reorganize to enable the most services for the money. In the FY 2014-2015 budget the overall number of Full Time Equivalents (FTE's) decreased by 5.12. The changes are as follows

Department	Additions				Reductions			FTE Net Change
Administration	Marketing & Media Relations Specialist							1.00
GIS					GIS Locator			(1.00)
Fire	Driver Engineer	Firefighter (3)						4.00
Public Works					Entire Operations			(19.00)
Water Fund	Meter Service Technican (2)	Leak Technician	Admin Specialist	Service Technician (.5)				4.50
FOG					Service Technician			(0.50)
Stormwater					Engineer	Crew Leader	Laborer	(3.00)
Gas Fund	Meter Service Technician							1.00
Community Center	Event Staff				Director			(0.50)
Golf Pro Shop	Manager	Coordinator	Pro Shop Asst (.5)	Worker (1.5)				4.00
Golf Maint Shop	Superintendent	Maintenance Staff (4.38)						5.38
Utility Billing	Customer Service Representative				Meter Readers (2)			(1.00)
<b>Total Change</b>								<b>(5.12)</b>

- The biggest change in the City's FTE's is due to the City contracting all of its Public Works and Stormwater operations to ESG, Inc. This reduced the overall budgeted FTE's by 22.
- Adding the Chimneys Golf Course operations to the City added over 9 FTE's.
- During FY 2014, the meter readers were moved to the Water & Gas Funds to enable more efficiency and effectiveness with the services provided by those departments.
- The Utility Billing Department increased by adding an additional Customer Service Representative to help with the additional responsibilities of managing the rentals of the Community Center.
- The Fire Department added 4 additional FTE's for the anticipated opening of a new fire station.

## Accomplishments and Priorities

Below are some of the accomplishments and priorities of the City that show our continuing commitment to excellence and fiscal responsibility:

- The Chimneys Golf Course was constructed in 2002 on property owned by the City as part of the City's Land Application System (LAS) through a lease, development, and operating agreement between the City of Winder Public Facilities Authority, the City of Winder, and a private developer. During FY 2014, the City of Winder's Public Facilities Authority exercised its first right of refusal in the buyout of the leasehold interest in the Chimneys Golf Course and deeded the course to the City of Winder.
- The Winder Fire Department will expand and renovate the unoccupied portion of the John O. Mobley Public Safety Building and construct a new fire station for the future growth of the department.
- During FY 2014, the City ordered and purchased a new fire truck through a capital lease. The new lease is for a term of ten years. The City will make the final payment of a capital lease for a 2005 fire truck during FY 2015.
- The City of Winder's Streetscape program, which began during FY 2013 with funding from the Georgia Department of Transportation's (GDOT) traffic enhancement grant, was completed in May 2014. In FY 2010, the City was awarded a \$500,000 grant for this streetscape project which consists of enhancements for Broad Street from the Post Office to the Train Depot. During FY 2011, the City was awarded another \$500,000 from the GDOT for this project. This project is, by far, the biggest investment in the downtown area's history. Prior to beginning the Streetscape Project, the City relocated the water lines, sewer lines, and gas lines from Broad Street.
- In March 2014, the City contracted with ESG, Inc., to provide operations, maintenance, and management services for the City's Public Works, Stormwater, and Watershed Protection Departments.
- During FY 2014, the City installed a reader board at the corner of Punkin Junction and Loganville Highway that enables the City to provide valuable information to the citizens.
- One of the City's goals in the upcoming fiscal year is to build facilities for the Public Works, Water, and Gas Departments on the City's property at Cedar Creek on Miles Patrick Road.

- During FY 2013, the City began its Fixed Network project which replaces the City's current drive-by meter reading system with the Sensus Flex Net Automatic reading system for our utility customers. This project is primarily funded with a \$3,000,000 GEFA (Georgia Environmental Finance Authority) loan with an interest rate of .70% for 10 years. As of May 2014, the City has installed approximately 3,500 new Sensus smart points within the water and gas system along with four base station towers.
- The City of Winder and the City of Auburn have partnered to redevelop a rock quarry that is located in Barrow County into a 1.1 billion gallon pump storage reservoir. The City of Winder's portion of the project is currently projected to cost approximately \$20.8 million. The City of Auburn has received funding from the Governor's Water Supply Program (GWSP), and the City of Winder has submitted an application to GEFA in hopes of receiving \$10 million from the GWSP. Additional funding will be requested from Georgia's Drinking Water State Revolving Fund which is administered by GEFA as well.
- The City's Gas Department was awarded the American Public Gas Association Safety Award and the H.E.A.T. Award with donations totaling over \$4,200 towards the Georgia H.E.A.T. Program.
- During 2013, *Talk of the Town* won an Honorable Mention for Best Talk Show in the under \$200k budget category from the National Association of Telecommunications Officers and Advisors (NATOA). This is the 4<sup>th</sup> consecutive year that WTV21's *Talk of the Town* has won an award from NATOA.
- The City's Finance Department received three awards from the Government Finance Officers Association for the City's FY 2013 Comprehensive Annual Financial Report, FY 2013 Citizens' Report, and FY 2014 Budget.
- The Winder Cultural Arts Center will again host the Southern Circuit Tour of Independent Filmmakers Tour during FY 2014-2015.

## Acknowledgements

The Fiscal Year 2015 Annual Budget for the City of Winder is a product of months of considerable effort by many individuals beginning with the input and analysis of staff members at all levels of the organization and continuing through the final decisions and commitment of the Mayor and City Council. This budget shows our dedication to our employees, the community's quality of life, and the efficient stewardship of public funds. My appreciation goes to all involved in this process.

Sincerely,

Donald Toms  
City Administrator

Finance Director

# About Winder

## General Information

The City of Winder, Georgia, incorporated by an act of the Georgia General Assembly in 1894, is the county seat for Barrow County, Georgia, and is located between Atlanta to the west, Athens to the east, Interstate 85 to the north and state highway 316 to the south. Originally incorporated as Jug Tavern in 1884, Winder was named in honor of John H. Winder, general manager of the Seaboard Railroad, for his contribution in bringing the railroad and related passenger station to the City. The railroad provided the City with mobility as well as cultural and economic advantages. The Seaboard Railroad for many years ran six passenger trains and eight freights through Winder each day.

The City of Winder is the largest city in Barrow County, and is the county seat. Barrow County is located in the center of Georgia's Golden Triangle and is the nucleus of research and technological advancements. In close proximity to Atlanta, Barrow County is just west of Athens and east of Gwinnett County. This central location, between four large employment and educational markets, makes Barrow County an escape from congested traffic and city noise. Like many other communities, Winder saw a decline in residential growth from 2008 through 2012; however, Barrow County was among the top 20 fastest growing counties in the country during the last decade. During FY 2013 and FY 2014, the City annexed approximately 125 residential parcels and a very large commercial tract that continues to bring new businesses to the area. There have also been more new home permits issued during this same period of time than were issued during FY 2012, 2011, and 2010, combined.

The City operates under a mayor-council form of government with a six member elected council, a mayor elected at large, and an appointed professional city administrator. The Mayor and Council members serve overlapping four-year terms. The City Administrator handles daily administration and management, with policy and guidance provided by the Mayor and Council. The City provides a full range of services. These services include police and fire protection; natural gas; water; sanitary sewer; solid waste disposal; cultural and recreational activities; planning and zoning; and the construction and maintenance of highways, streets, storm water, and infrastructure. During 2009, the City was designated as a "Certified City of Ethics" by the Georgia Municipal Association. Around a third of the cities in Georgia have received this designation.

Funding for the operations of the City comes from the following primary sources: sales taxes, fire taxes, fines and forfeitures, licensing and permitting activities and utility and golf course profits. The Fire Tax is the only property tax that the City has assessed since 1977, which is currently 3 mills of the assessed taxable property values in the City. Over the last few fiscal years, three of the four primary funding sources declined due to the slow down in the economy and water conservation.

## Basis of Budgeting

The basis of budgeting used for all Governmental Fund Types (all funds except those associated with Proprietary Funds – Water and Sewer, Environmental Protection Services, Gas, Chimneys Golf Course, Solid Waste, Special Facilities, Utility Service, and Building funds) is the same as that used for accounting purposes – the modified accrual basis except as noted. Under this basis revenues are estimated when they are both measurable and available. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are budgeted when the related fund liability is due. Principal and interest on long-term debt is budgeted when due or when amounts have been accumulated in the debt service fund for payments to be made early in the following year. Under this method, revenues are estimated when earned and expenses budgeted at the time liabilities are incurred. Exceptions from the accrual basis are collections on notes receivable as revenue in the year received; payment of debt principal is budgeted as expenditure when paid; capitalized assets are budgeted when incurred; and depreciation is not budgeted.

Indirect costs of general government and administrative support are fully allocated to the City's operational departments and funds. The purpose of the indirect cost allocations is to charge the operating departments and funds for administrative support services. Costs are allocated based on actual expenditures by functional activity.

## Budget Process

The annual budget serves as the foundation for the City of Winder's financial planning and control. The annual budget process begins with the City Administrator, Finance staff and department heads working together to analyze funding needs. Prior to May, the Finance Department prepares a draft budget for the City Administrator. After reviewing the draft budget and meeting with the departments, the City Administrator and Finance staff prepares a Proposed Budget. The Mayor presents the proposed budget to City Council in May. The Council conducts public hearings in May and/or June, and adopts budgeted revenues and appropriations for the upcoming fiscal year by ordinance no later than June 30, the close of the City's fiscal year. The budget is prepared both by fund, function (e.g. public safety) and department (e.g. police). The City Administrator is permitted to transfer appropriations within a department. Transfers between functions and departments and subsequent budgetary amendments require the approval of the City Council. The process followed in the preparation of this budget complies with the State of Georgia.

## Budget Calendar

February 5	Budget Kickoff Meeting with Department Heads to distribute budget worksheets.
March 14	Departmental requests due to Finance.
April 21 - 25	Department Heads discuss budget requests with Mayor and Council Committees.
May 12	Preliminary Budget available for public inspection.
May 15	First Public Hearing and Council Work Session.
May 22	Second Public Hearing and Council Work Session.
June 3	Council Adopts FY 2014-2015 Budget.

## Budget Amendment Process

The adopted budget appropriates certain amounts to each fund to be used at the discretion of the City Council. However, during the fiscal year special appropriations may be made for specific unforeseen events by approval of a resolution by the City Council. Specific appropriations may include funding for service level policy changes, unforeseen catastrophic events, or redirection of resources.

Budget changes are adopted during the year by the City Council at a regularly scheduled meeting. Annually, City Council passes a resolution recognizing the various budget amendments made during the year.

PRESENTED TO

**City of Winder  
Georgia**

For the Fiscal Year Beginning

**July 1, 2013**

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Winder, Georgia for its annual budget for the fiscal year beginning July 1, 2013. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

## Fund Descriptions

The City's financial operations are budgeted and accounted for in the funds listed. The funds are grouped by major types, as set forth by the Governmental Accounting Standards Board (GASB) and the Georgia Department of Community Affairs chart of accounts.

### Governmental Funds

#### General Fund

The General Fund accounts for resources devoted to support the services associated with local government. Programs resident in the General Fund are general administration, public safety, public works, and any other activity for which a special fund has not been created.

#### Special Revenue Funds

Special revenue funds are used to account for the proceeds of specific revenue sources that are restricted legally to expenditures for specified purposes. The City utilizes five funds of this type, which are the Hotel/Motel Tax Fund, the Community Television Station, the Grant Fund, the Festivals Fund, and the Police Escrow Fund.

#### Capital Projects Fund

The Capital Projects Fund accounts for financial resources to be used for the acquisition or construction of major capital projects and is budgeted on a project basis. The City maintains three Capital Project Funds to account for the receipt and use of the City's share of the 2005 Special Purpose Local Option Sales Tax (SPLOST) proceeds, the 2012 SPLOST proceeds, and the Local Maintenance & Improvement Grant (LMIG) Program.

### Fiduciary Funds

#### Agency Fund – Municipal Court

The Municipal Court Fund is used to account for the monies received for fees collected and owed to other agencies within the State of Georgia and Barrow County. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

#### Agency Fund – Downtown Improvement Fund

The Downtown Improvement Fund was established by a citizen who wanted to give back to the City. The money donated will be used in improving downtown. Any expenditure incurred will be project oriented.

### Enterprise Funds

Enterprise funds account for goods and services provided on a continuing basis to the general public and are structured to be self-supporting.

#### Water and Sewer Fund

The Water and Sewer Fund is the largest of the ten proprietary funds operated by the City. The Water and Sewer Fund accounts for the operations of the water and sewer systems of the City. The system supplies water and sewer service to area residents and to industrial and commercial users in the City and County.

#### Environmental Protection Services

The Environmental Protection Services Fund (EPS) records revenues and expenditures associated with the operation and maintenance of the City's stormwater systems and the management of the FOG program and Watershed Protection Plan.

### Gas Fund

The Gas Fund is the second largest of the ten proprietary funds and accounts for the distribution and sale of natural gas in the City of Winder and the counties of Barrow, Walton, and Oconee. Natural gas sales are very seasonal in nature and are the highest during the colder months of the year.

### Solid Waste Management Fund

The Solid Waste Management Fund accounts for the contract costs of solid waste collection, disposal, and recycling. During FY 2012, the City entered into a contract with Waste Management to collect and dispose of the business and residence solid waste.

### Chimneys Golf Course Fund

The Chimneys Golf Course Fund is the newest of the proprietary funds and accounts for the operations and maintenance associated with managing the Chimneys Golf Course which is located at 338 Monroe Highway, Winder, Georgia.

### Special Facilities Fund

The Special Facilities Fund is used to account for the rents and other income and the related costs (including depreciation) of operating the City's Community Center, Adult Education Center, Historic Train Station, the Cultural Arts Center, and other City-owned income producing buildings.

### Broadband Fund

The Broadband Fund is used to account for the fiber infrastructure installed that the City has available to lease to businesses in the City's downtown area.

### Internal Service Funds

The Internal Service Funds account for goods and services provided by one department to other departments or funds on a cost-reimbursement basis. In addition, certain services are supplied to outside agencies for a fee. The Utility Service Fund accounts for the billing and cash collections for all of the other utility funds. The Building Fund accounts for the purchase and capital costs of its General Governmental Buildings which are used by multiple departments. The Building Fund also accounts for all utilities, maintenance, and repairs to all City-owned buildings so that all costs associated with any building can be easily identified and monitored. The Fleet Maintenance Fund was used to account for the vehicle maintenance of the City's fleet; however, this has now been outsourced and is accounted for within each department.

### Component Unit

The Component Unit Fund is used for the discretely presented Component Units of the City. The only discretely presented Component Unit the City has at the present time in the Downtown Development Authority.

# General Fund Revenues

The primary sources of revenue are fire taxes, Local Option Sales Tax (LOST), licenses and franchise fees, fines & forfeitures, and indirect cost allocations for administrative services for other funds.

## Taxes

### Fire Taxes

Fire Taxes are currently 3.00 mills of assessed value of taxable property within the City. The current tax is estimated to cover approximately 36% of the budgeted expenditures for the Winder Fire Department.

**Street Light Assessment**

The Street Light Assessment fee is assessed to each parcel of real property within the City limits to cover the cost of providing street lights and traffic signals in Winder. The fee has been set at \$50 which covers approximately 99.7% of the budgeted costs for street lights and traffic signals.

**LOST (Local Option Sales Tax)**

The LOST proceeds are expected to increase compared to the 2013-2014 estimated LOST revenues. During FY 2013, Barrow County and the cities within Barrow County renegotiated the LOST distribution. The City of Winder's percentage increased from 19.37% to 20.80%. Since the drastic decline during fiscal year 2008-2009, the LOST revenues have continued to grow even through the recession because commercial growth has continued in Winder and Barrow County. The sales tax millage rollback for the FY 2014-2015 is 6.2705 mills.

**Beer, Liquor, Wine Excise Taxes and Insurance Premium Taxes**

No significant increases are projected for these taxes.

**Franchise Fee**

Franchise Fees are expected to remain stable during FY 2014-2015.

**License & Permits**

License and Permits have remained steady and are expected to remain the same during FY 2014-2015.

**Fines & Forfeitures**

Fines and Forfeitures are expected to remain stable during FY 2014-2015.

# General Fund Legislative

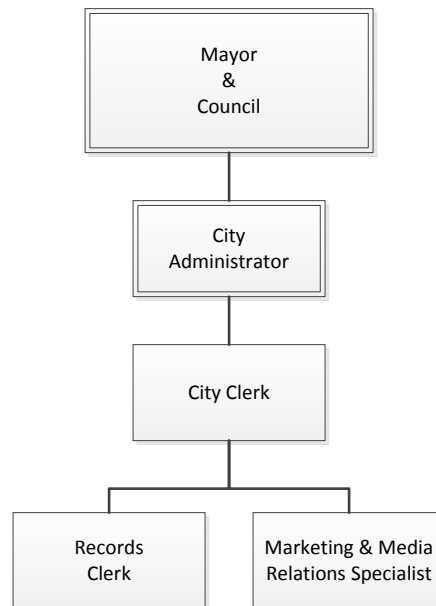

## Statement of Purpose

The City of Winder, incorporated in 1894, operates under a Mayor-Council form of government. The legislative section includes the expenditures directly related to the Mayor and Council including such items as salary and benefits, costs of meetings and related expenditures together with those funds designated for the support of other organizations. The elected Mayor is the Chief Operating Officer, as well as, the Chief Executive Officer of the City. He is responsible for the day-to-day activities of the City. The six Council members are elected to four years with the terms staggered representing the four Wards of the City with two members at-large.

# General Fund GIS

## Statement of Purpose

To provide support to all City departments and the general public. GIS (Geographic Information System) integrates geographical information from a variety of sources, including GPS, to create maps for all City departments, including, but not limited to, public utilities (*water, natural gas, stormwater and sewer*), public works, public safety (*police and fire*), administration and the general public.

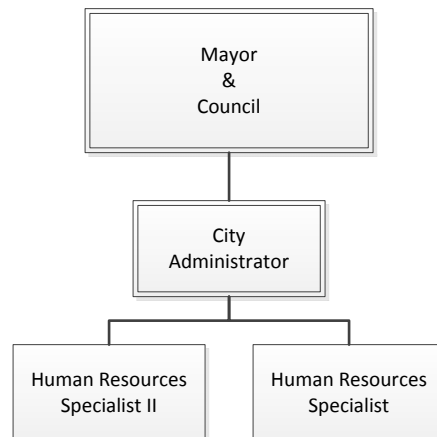

## Program Objectives

1. To create and maintain many different mapping layers with the integration of data from various applications into spatially referenced information.
2. To provide assistance in creating maps for publication and distribution throughout the City.

## Finance

### Statement of Purpose

The Strategic Mission of Finance is to clearly define and flawlessly execute common financial processes and to provide expert financial systems and reporting to the City's operating business units and the Mayor and Council, thereby allowing them to provide superior services to our customers and citizens.

Primary functions include accounting, budgeting, managing and investing cash, managing debt, paying invoices, executing payroll, billing receivables, and collections (utilities, business licenses, taxes, hotel/motel taxes, miscellaneous). The department is responsible for the financial reporting, and the purchasing. Although budgeted separately, the department also oversees the Municipal Court, Billing & Collection, and Community Center.

### Program Objectives

1. Prepare the FY 2013-14 Comprehensive Annual Financial Report (CAFR) in a format that qualifies for submittal to the Government Finance Officer's Association (GFOA) Certificate of Achievement in Financial Reporting program.
2. Prepare the FY 2014-15 adopted budget document in a format that qualifies for submittal to the GFOA Distinguished Budget Award program.
3. Prepare the FY 2013-14 Citizens' Report in a format that qualifies for submittal to the GFOA Popular Annual Financial Report (PAFR) program.
4. Provide monthly financial information to the City Council, City Administrator, and Department Heads as a tool for responsible decisions.

## Planning, Licensing & Permitting

### Statement of Purpose

To provide overall management and administrative support to all City departments, other governmental agencies, local businesses, developers, and the general public by administering the City of Winder Zoning and Development Regulations, and processing City of Winder Building Permits and Business Licenses.

### Program Objectives

1. The City of Winder Planning Department is tasked with the responsibility of administering the City of Winder Zoning and Development Regulations.
2. The Planning Department is responsible for administering and coordination of the development review process. All applications for annexations, rezones, variances and conditional uses are submitted to the Planning Department, and must then go before the Planning Board and the City Council for review and recommendations.
3. The Planning Department is frequently given special tasks associated with the Georgia Department of Transportation, i.e., road improvement projects and streetscape projects. Also, the Department is asked to work with other departments closely on culvert replacement projects and general drainage projects. The Department also may acquire right-of-ways and easements for drainage and roadway projects.
4. The License & Permits office is tasked with the responsibility of administering the City of Winder Building and Licensing Regulations. This office also acts as the clerk for the Planning Department as well as for the Historic Preservation Commission.

## Housing & Development (GICH)

### Statement of Purpose

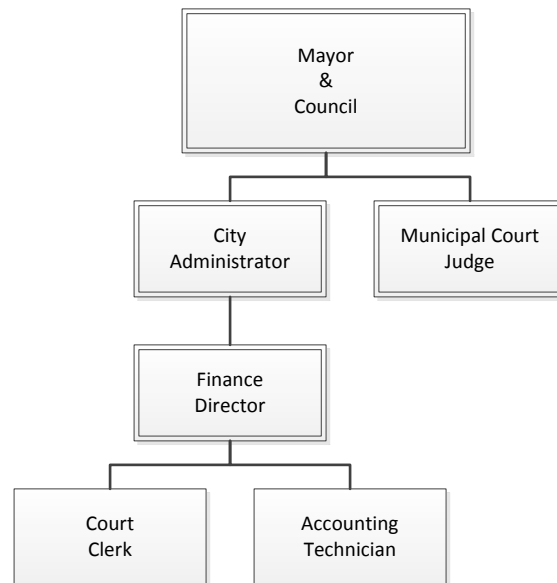

The Georgia Initiative for Community Housing (GICH) is a program sponsored by the University of Georgia, the Georgia Municipal Association, Department of Community Affairs and others. The purpose and goal of this program, quite simply, is to improve the quality and quantity of affordable housing, which is a pressing need in every section of the state. The statewide program offers training, technical assistance and organization assistance to local communities to develop strategies to meet their individual needs.

### Program Objectives

1. Emphasis on homeownership whenever possible.
2. Partnership with local faith-based organizations and others (such as Habitat for Humanity) to build and repair owner-occupied housing for low and moderate income families.
3. Partner with the local private sector to improve conditions in rental housing.
4. More vigorous code enforcement when necessary.
5. Partnership with the local housing authority with the emphasis on public housing being transitional housing whenever possible and not permanent housing.
6. Use appropriate housing solutions as part of Winder's downtown revitalization efforts.

# General Fund Municipal Court

## Statement of Purpose

Our Strategic Mission is to flawlessly execute the legal processes related to enforcing city ordinances and traffic laws and to coordinate our efforts with other agencies within the criminal justice system. Provide court administration to guarantee that all persons coming before the Court are treated equally and have protected rights afforded them under the United States Constitution, the Georgia Constitution, and applicable ordinances and statutes.

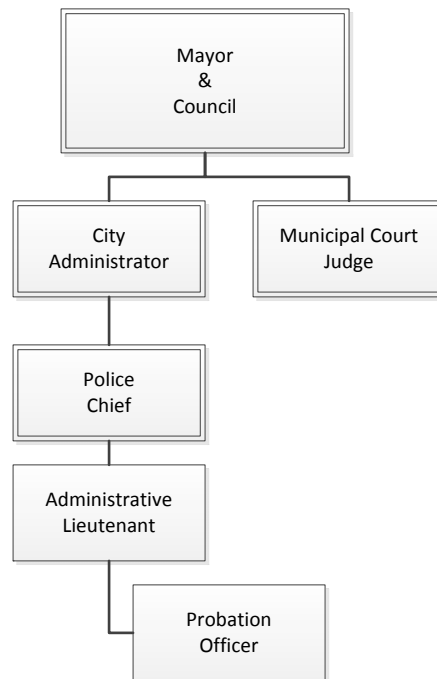

## Program Objectives

1. Maximize collection efforts for fines and fees levied.
2. Strengthen policy and procedures to ensure efficient collections and customer service.

# General Fund Police

## Statement of Purpose

To carry us through this new century we reinforce our vow to protect and serve our community while ensuring the basic rights and quality of life are held to the highest proven standards of excellence. The Winder Police Department's mission is to enhance the quality of life in our community, working cooperatively with the public to prevent crime; preserve the peace; enforce laws with respect to the constitutional rights of all citizens; reduce fear; and provide for a safer community environment. The end result is an efficient and professional Department that represents and works for the common good of all the citizens of Winder.

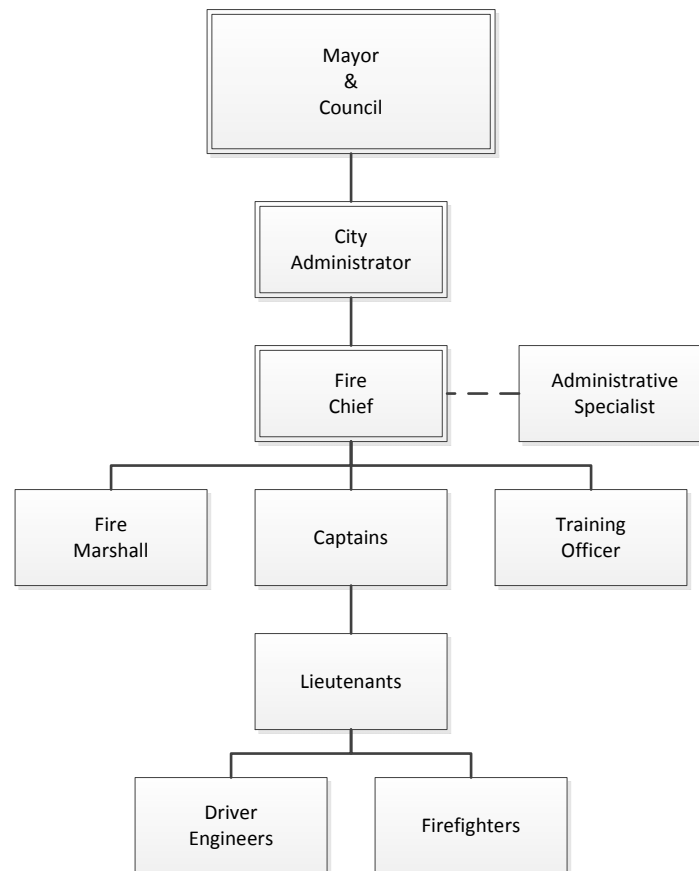

## Program Objectives

1. Uphold and enforce the laws of the state and city through professional law enforcement.
2. Deploy traffic enforcement assets to target high accident and neighborhood locations for directed traffic enforcement efforts to further reduce collisions.
3. Assign officers to specific areas and community organizations.
4. Expand and enhance the use of crime analysis data to better understand crime trends in the community and inform citizens of activity in their neighborhoods.
5. Develop empirically based staffing plan and funding alternatives to make sure the department's presence in Winder keeps pace with population and crime activity growth in the community.
6. Complete and maintain a five-year strategic plan for the department.
7. Effectively review and investigate crimes against persons and property.

## Public Works

### Statement of Purpose

Assure safe operation of the City's street system. This department's primary functions are installation and maintenance of street and traffic signs, maintenance of off-street paths, installation and maintenance of pavement markings, and coordination with contractors hired to repair/maintain pavement surfaces. Public Works is also responsible for the City's building and cemetery maintenance.

The Roads program is also involved in various efforts associated with public rights-of-way, such as:

- Management of City signs.
- Maintenance of guardrails, bikeways and pedestrian paths.
- Maintenance of all publicly owned parking areas.
- Maintenance of street trees, litter control and vegetation control.
- Installation of handicapped accessible ramps at intersections.
- Sanding streets during inclement weather.
- Graffiti removal.

### Program Objectives

1. Effective, efficient maintenance of road surfaces and signage through a systematic approach that quickly corrects damaged signs and roadway/pathway surfaces, including maintaining clear markings on roadways and crosswalks to promote safety.
2. Effective, efficient maintenance of road rights-of-way resulting in an attractive community free of sign clutter and obstructions to traffic flow.

## Television Station

### Statement of Purpose

To enhance community awareness of local government activities and services and to promote the City of Winder and surrounding communities as a whole.

### Program Objectives

1. To provide quality programming that educates, entertains and informs viewers.
2. To provide comprehensive, in-depth coverage of the operations and services provided by the City of Winder.
3. To improve emergency communications in the event of a disaster, pandemic outbreak, or other event requiring widespread communications.
4. To provide gavel-to-gavel coverage of Barrow County Board of Commissioners meetings and Winder City Council meetings so citizens may see their local governments in action.
5. To highlight the individuals, businesses and organizations that make this community a better place to live.
6. To promote a better sense of community by producing programs that star the people and places viewers know.
7. To provide a positive, family-friendly alternative to other programming currently available on television.

## Police Escrow

The primary source of revenue is from confiscated assets.

### Statement of Purpose

To account for money or assets that the Winder Police Department, during its normal course of business, may confiscate. Federal and state laws dictate that the courts can release the assets to the applicable agency and any profits can only be used to purchase equipment for the Police Department.

### Capital Outlay

No capital expenditures have been budgeted for this fund.

## Hotel/Motel

The primary source of revenue is the 7% Hotel/Motel tax levied on hotel/motel room rental charges.

### Statement of Purpose

To account for the proceeds of a specific revenue source that is restricted legally to expenditures for specified purposes. The tax is used to promote tourism and trade through the Barrow County Chamber of Commerce, the Community Center, Cultural Arts Facility, and any other means that the City deems necessary to promote tourism and trade within the City of Winder.

### Capital Outlay

No capital expenditures have been budgeted for this fund.

## Capital Projects

### SPLOST 2012

The primary source of revenue is SPLOST (Special Purpose Local Option Sales Tax). These funds are limited for use on the following:

1. Water and Sewer Infrastructure, Improvements, Facilities, and Equipment  
(64% of funds received).
2. Roads, Streets, Curbs, and Bridges (including storm water structures)  
(36% of funds received).

On July 7, 2010, the citizens passed a new SPLOST referendum which was effective July 1, 2012.

#### Statement of Purpose

To account for the receipt and use of SPLOST proceeds for the approved projects based on the July 7, 2010 referendum and the Intergovernmental Agreement for the Use and Distribution of Proceeds from the 2012 Special Purpose Local Option Sales Tax for Capital Outlay Projects.

## LMIG

The primary source of revenue is the Georgia Department of Transportation Local Maintenance and Improvement Grant (LMIG). These funds are limited to repaving an approved list of streets to upgrade their current condition.

The City is required to match 30% of the grant because the TSPLOST did not pass in Barrow County. The matching percentage is 10% upon approval of the TSPLOST.

### Statement of Purpose

To account for the receipt and use of LMIG proceeds for the approved projects based on project list submitted to the Georgia Department of Transportation by the City of Winder.

# Water Fund Revenues

The primary source of revenues are user charges based on monthly water consumption and sewer charges applied to using 80% of the monthly water consumption.

The Water and Sewer Fund records revenues and expenditures associated with operation and maintenance of the City’s water and sewer systems. Revenues collected maintain the water system operations, including water supply, treatment, storage, and sewer system operations including wastewater collection and treatment, as well as compliance with EPA and Georgia EPD requirements. Additionally, Water and Sewer Fund revenues are used to fund the general operations of the City including fire, police, streets, and general administration. Charges for services are billed based on actual water consumed. Sewer is billed based on 90% of actual water consumed for customers inside the city and on 100% of actual water consumed for customers outside the city.

The City's Current Water & Sewer rates:

### Base Water Rates (residential)

## Definitions & Notes

The **Base Rate** is the minimum bill that a customer is charged based on meter size. This fee is set to recover the costs of meter maintenance and replacement as well as meter reading, billing costs, fire hydrants, and general repairs to water mains.

**Equivalent Residential Unit or ERU** shall mean the number of residential units to which the water demand of a customer is equivalent, where a single-family residential unit is assumed to have an average demand of 300 gallons per day. The number of ERUs assigned to a meter shall be determined by the number of residential units it serves.

**Dedicated Fire Line** charges are related to meter/unmetered fire sprinkler connections to the potable water system. The monthly rate is based upon the connection size and takes into account the amount of water system capacity required for fire suppression. No fees are charged for usage to extinguish fires as designed by the system. A penalty may be assessed in addition to the \$11.50 per 1,000 gallons against owners using the line for purposes other than maintenance.

**Temporary disconnection due to repair** – When requested between normal business hours the City will temporary disconnect and reconnect water service at the meter for a customer to make personal repairs.

The City is not responsible for any repairs or leaks on lines leaving the meter or to include but not limited to: leaking toilets, faucets, private lines under a structure or within the walls or ceilings.

**New Account Connection** – This fee is established for the on-site activation of the meter, account setup and other processing. This is a one time fee per account and covers all utility services to include water, gas, and garbage. The \$50 connection fee covers all service connections.

The City's current connection and tap fees for water and sewer are as follows:

### WATER CONNECTION FEES BASED ON METER SIZE

5/8"-3/4"	\$	3,500
1"	\$	5,000
1+1/2"	\$	6,500
2"	\$	10,500
3"	\$	15,000
4"	\$	20,000
6"	\$	25,000
8"	\$	50,000
10"-12"	\$	110,000

### SEWER CONNECTION FEES -

4" SEWER CONNECTION, FEES PER UNIT	\$	3,500
------------------------------------	----	-------

**NOTE: SOME TYPES OF COMMERCIAL OPERATIONS ARE REQUIRED TO PAY A SEWER CAPACITY CHARGE. BUSINESSES SUCH AS RESTAURANTS, CARWASHES, LAUNDRIES, ETC. THE BASE CHARGE IS FOR A 4" CONNECTION. LARGER CONNECTIONS WILL BE AT A HIGHER RATE BASED ON THE HOUSE HOLD EQUIVALENT OF 300 GALLONS PER DAY.**

The City has two inter-governmental agreements with Barrow County. One is for the City to bill and collect the usage of the County's sewer customers who have City of Winder water. Also in this agreement, the City collects the County's sewer taps for customers who are in the Winder Water District and the Barrow County Sewer District.

The other agreement is for the County to purchase one million gallons per day of capacity in the Cedar Creek Reclamation Facility which was completed in 2009. The monies collected from Barrow County for this capacity will partially offset the debt that the City incurred to construct this sewer treatment facility.

## Water Distribution

**Note: Water - Blue**  
**Gas - Yellow**

### Statement of Purpose

To provide the customers of the City of Winder with a sufficient supply of high quality potable water which will meet or exceed the regulations or standards for purity, taste, appearance, and provide sufficient fire flow at an equitable rate to our customers. We continually pursue additional water sources, protect current sources, and manage existing supplies.

### Program Objectives

1. Emphasize customer service, public education, communication and teamwork to meet the water needs of our customers.
2. Actively implement and enforce the City's water conservation plan and drought contingency plan.
3. Continue to maintain our investment in the infrastructure.
4. Effective operation and maintenance of the water supply and the water system.
5. Compliance with all federal, state, and local environmental regulatory requirements.
6. Participate in the City's emergency preparedness program.

## Revenues

The primary source of revenue is from the Fats, Oils, and Grease (FOG) permits and inspections.

In 2003, the City of Winder responded to an environmental mandate from Georgia's Environmental Protection Division (EPD) to develop a comprehensive watershed and stormwater management program to protect the water quality of the state's waterways. This mandated program was necessary per the Watershed Protection Plan and the City of Winder was required to comply with certain phases of the National Pollutant Discharge Elimination System (NPDES) Stormwater Phase II Permit regulations of the federal Environmental Protection Agency (EPA).

### Program Objectives

1. To provide education and outreach for the Fats, Oils and Grease Program and Stormwater Program.
2. To provide strict code enforcement of stormwater pollution and FOG violators.
3. To inspect, repair, and maintain publicly owned stormwater management resources (i.e. storm drains, retention ponds, sand filters, and drainage ditches).
4. To inspect creeks and streams for illegal dumping
5. Map and update the City's entire stormwater system, including ponds, pipes, inlets, drainage ditches, etc.
6. To provide dry weather field surveys

The Environmental Protection Services Fund (EPS) records revenues and expenditures associated with the operation and maintenance of the City's stormwater systems and the management of the FOG program and Watershed Protection Plan.

## Watershed Protection

### Statement of Purpose

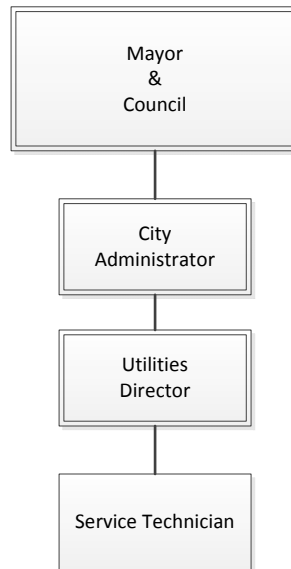

The Watershed Management program is responsible for analyzing the watershed to ensure State and Federal regulations for impaired streams are met. This monitoring program is designed to help Winder achieve its goal of having clean streams and rivers. By monitoring water quality over an extended period of time, this program can evaluate the effect of the Best Management Practices (BMP's) in place.

1. Provide education and information on Water Quality Activities required by the Watershed Protection Plan.
2. To emphasize compliance with all federal, state, and local environmental regulatory requirements.
3. Actively implement required activities from the Watershed Protection Plan:
  - Assess Baseline Conditions
  - Identify Sources of Impairment
  - Document Stream Improvement
  - Water Quality Program Sampling
4. Annual reporting to EPD.

## Fats, Oils, & Grease (FOG)

### Statement of Purpose

The Fats, Oils & Grease (FOG) program is designed to properly manage oil and grease discharged into the sanitary sewer system that could potentially result in sanitary sewer overflows. The Department's focus is to establish uniform permitting, maintenance and monitoring requirements for controlling the discharge of fat, oil, & grease from food service establishments discharging into the city's wastewater collection system in the most efficient and cost effective manner possible to the citizens of Winder.

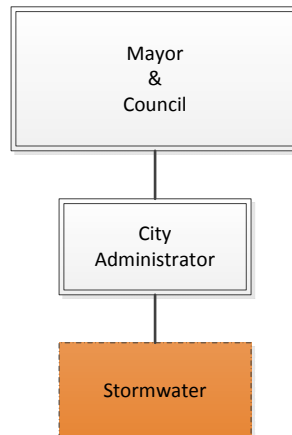

### Program Objectives

1. Provide education and information to all Food Service Establishments to assist them with the process of proper grease management.
2. To emphasize compliance with all federal, state, and local environmental regulatory requirements.
3. Actively implement, inspect and enforce the City's FOG ordinances for all food service establishments.
4. Ensure adequate sizing for all new developments.

## Stormwater

### Statement of Purpose

Stormwater Management is designed to efficiently address flood control, water quality, and the preservation of natural drainage systems. The Department's focus is to inform the public of stormwater issues, and implement a program that monitors and maintains the quality of water that enters our waterways via the municipal storm sewer system in the most efficient and cost effective manner possible to the citizens of Winder.

### Program Objectives

1. To effectively address drainage complaints and stormwater concerns received from the citizens of Winder.
2. To emphasize compliance with all federal, state, and local environmental regulatory requirements.
3. Actively implement and enforce the City's Stormwater ordinances for development and illicit discharge.
4. Effective operation, inspection and maintenance of the municipal storm sewer systems.
5. Maintain investment in infrastructure system.

# Gas Fund Revenues

The primary source of revenue is user charges based on monthly natural gas consumption.

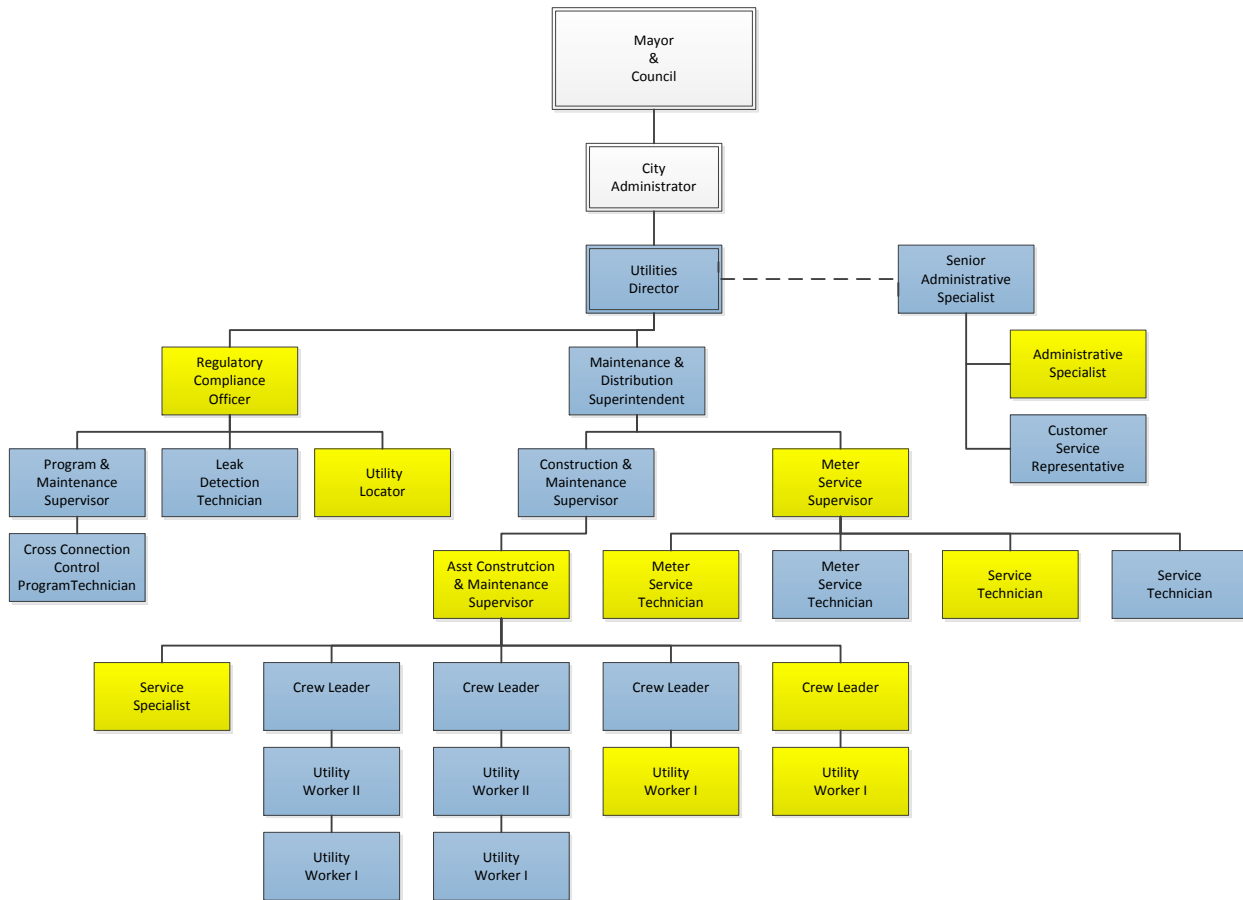

The Gas Fund records revenues and expenditures associated with operation and maintenance of the City's natural gas system. Revenues collected maintain the gas system operations, and distribution infrastructures.

The City purchases gas through the Municipal Gas Authority of Georgia (MGAG). MGAG also assists in marketing gas to new potential residential and commercial customers. The actual cost of the gas purchased from MGAG is passed through to the customers. The City's portion of the gas rates will not increase for the FY 2015 Budget. These rates are \$3.50 per MCF (one thousand cubic feet) for residential customers and \$3.90 per MCF for commercial customers.

The base rates are as follows:

Single Family Residential	\$13.64
Small Meter Business	\$14.65
Medium Meter Business	\$43.48
Large Meter Business	\$67.62

# Gas Fund Expenditures

## Statement of Purpose

Distribute natural gas to residential, commercial, and industrial customers. The City distributes gas to its citizens that has been purchased from the Municipal Gas Authority of Georgia (MGAG).

## Program Objectives

1. Assure that the work of the department is adequately scheduled, documented, and evaluated.
2. Participate in the City's emergency preparedness program.
3. Effective operation and maintenance of the gas system.
4. Maintain investment in infrastructure system.

# Solid Waste Fund

## Revenues

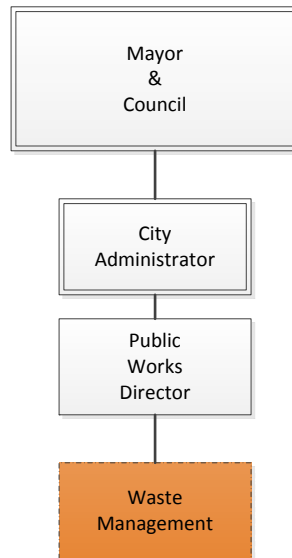

The primary source of revenue is based on fixed monthly charges for solid waste collection.

The Solid Waste Fund records revenues and expenditures associated with solid waste collection which is contracted with Waste Management, Inc. The solid waste collection fee will not increase for the FY 2015 Budget the residential and commercial carts.

<b>SOLID WASTE COLLECTION FEES</b>	<b>RATES EFFECTIVE SEPTEMBER 1, 2013</b>
RESIDENTIAL CART*	\$ 16.00
COMMERCIAL CART*	16.00

\* These rates are based on one cart per customer with one pickup per week.  
Rates will vary based on number of carts at a location and how often the carts are picked up.

# Solid Waste Fund Expenditures

## Statement of Purpose

The Solid Waste Department provides curbside garbage and recycling collection to all single-family residences within the City limits. The Department provides cart service for the businesses and apartments within the City. Dumpster service is open to all sanitation providers.

## Program Objectives

1. To provide the citizens, businesses, and industry of Winder with efficient, cost effective solid waste collection and recycling services supporting the infrastructure demands of our growing community.
2. To deliver high quality services with an emphasis on employee safety, public health and the image of the City of Winder.

## Capital Outlay

No capital expenditures have been budgeted for this fund.

## Special Facilities Fund Revenues

The primary source of revenue is rental of the Winder Community Center, rental of the Cultural Arts Facility, rental by Lanier Technical College, and a portion of the Hotel/Motel Tax collections.

The Special Facility Fund records revenues and expenditures associated with the operations of the Community Center, Picnic Pavilion, Cultural Arts Facility, Train Depot and the Lanier Technical College Buildings. The City of Winder rents space to the State of Georgia for Lanier Technical College for a nominal fee.

These facilities enable many people access to have weddings, receptions, parties, and different cultural events right in downtown Winder. Besides being able to rent these facilities for private functions, the Winder Barrow Community Theatre, the local schools, and many not-for-profit organizations host events that enhance this community.

## Community Center

### Statement of Purpose

The Community Center is available for rent by the general public, non-profit organization, and businesses. The Community Center can host a variety of events ranging from seminars, fundraisers, banquets, and large scale weddings. The Pavilion and Jug Tavern Park are also available for rental needs. Our mission is to provide our guests with attentive professional customer service.

### Program Objectives

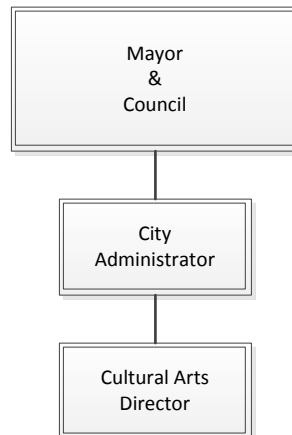

1. Increase the awareness of the Winder Community Center.
2. To make the Winder Community Center become the number one rental facility in Barrow County.
3. To make the Winder Community Center's landscape as beautiful on the outside as it is inside.

## Cultural Arts Facility

### Statement of Purpose

To provide an efficient, state-of-the-art venue for all manner of artistic expression, be it visual, written or performed and to continually strive to make a significant and positive difference in the quality of life within our city, county and region.

### Program Objectives

1. Provide the best available entertainment to all residents and guests of the area, and at the same time keeping costs to a minimum.
2. Work directly with the Barrow County Board of Education to provide a locally based resource for education, expression and experience in the arts at all levels.
3. Work with area and regional arts organizations to coordinate our efforts and there-by increase the availability of arts and arts expressions for all residents of Northeast Georgia.
4. Enhance the image of the City of Winder by demonstrating to all residents and guests within the Northeast Georgia Region that "**WINDER IS STATE-OF-THE-ARTS**".

# Statement of Financial Policies

The City of Winder has developed the following policies to manage its financial and budgetary affairs.

## Budget Policy

Budgets are adopted on a basis consistent with generally accepted accounting principles as promulgated by the Governmental Accounting Standards Board (i.e., the modified accrual basis of accounting). When applicable, project-link financial plans are adopted for the Capital Projects Fund. All annual appropriations lapse at fiscal year end. Georgia law requires the City to adopt a balanced budget each year. A balanced budget is one in which budgeted funding sources equal budgeted expenditures, and fund balance may be used to balance the budget.

## Revenue Policy

The City shall strive to maintain a diversified and stable revenue structure to shelter it from short-term fluctuations in any primary revenue source. When possible, the revenue mix shall combine elastic (e.g., sales taxes) and inelastic (e.g., fire taxes and utility revenues) revenue sources to minimize the effect of economic downturns.

## Investment Policy

All non-restricted cash and investments will be maintained in a single cash and investment pool allowing for the maximum use of available resources. The City shall maintain an accounting system that allows non-restricted assets to be pooled, while separately recorded on the general ledger. All available idle cash shall be invested.

## Accounting, Auditing and Financial Reporting Policy

The City issues its annual financial statements in accordance with Generally Accepted Accounting Principles (GAAP) as outlined in the Governmental Accounting, Auditing, and Financial Reporting (GAAFR) publication.

## Debt Policy

Georgia law limits the amount of general obligation debt that the City may issue to 10% of the assessed value of all taxable property located within the boundaries of the City (Georgia Constitution, Article 9, Section 5, Paragraph 1). When feasible, revenue or other self supportive bonds will be used instead of general obligation bonds. Further, good communication with bond-rating agencies will be maintained in full disclosure on every financial report as well as bond official statements will continue.

## Fund Balance in Governmental Funds Policy

The City of Winder established and will maintain classification of fund balance as defined herein in accordance with Governmental Accounting Standards Board statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. This policy shall apply to the City's General Fund and all governmental funds and became effective for the fiscal year ending June 30, 2011. Fund balance shall be composed of nonspendable, restricted, committed, assigned, and unassigned amounts, as defined herein.

**Nonspendable Fund Balance** – Amounts that are not in a spendable form, such as inventory, or will not be converted to cash in the next operating cycle, such as long-term notes receivable. Also, amounts that are legally or contractually required to remain intact, such as the corpus of a permanent fund.

**Restricted Fund Balance** – Amounts on which constraints have been placed by an external party, such as grantor, creditor, or laws or regulations of other governments. Also, amounts on which constraints have been placed by law through constitutional provisions or by enabling legislation and are legally enforceable by external parties. Restrictions may be changed or lifted only with the consent of the resource providers.

**Committed Fund Balance** – Amounts on which constraints have been placed by the City Council, the City’s highest level decision-making authority, through the adoption of a resolution which includes the verbiage “committed for the purpose of”. Commitments may only be changed or rescinded through the adoption of a subsequent resolution; the subsequent resolution shall refer to the original resolution by number.

Resolutions committing amounts must be adopted prior to the end of the fiscal year. However, the amount to commit must be determined within 60 days of the fiscal year-end.

**Assigned Fund Balance** – Amounts on which constraints have been placed by the City to use for a special purpose. The City Council may assign amounts through the adoption of a motion made during a public meeting of the Council. The City Council also authorizes the City Manager to assign amounts through a written memorandum.

Transfers to special revenue, capital projects, debt service, or permanent funds shall constitute assignments and shall be documented through the adoption of the City’s operating budgets or subsequent budget amendments.

Assignments must be adopted prior to the end of the fiscal year; the amount assigned must also be determined prior to fiscal year-end.

Amounts appropriated to eliminate a projected deficit in the subsequent fiscal year’s budget shall constitute assignments and be documented by adoption of the City’s operating budgets.

Equity amounts reported in special revenue, capital projects, debt service, or permanent funds not otherwise classified as nonspendable, restricted, or committed should constitute assignments.

**Unassigned Fund Balance** – Equity amounts reported in the General Fund not otherwise classified as nonspendable, restricted, committed, or assigned. Unassigned amounts are the portion of fund balance that is available for any purpose. Governmental funds other than the General Fund shall not report positive unassigned fund balance.

## HIEARCHY OF SPENDING

For the purpose of fund balance classification, the City considers restricted amounts spent first when expenditure is incurred for which both restricted and unrestricted fund balance is available. Furthermore, the City considers the following spending order when expenditures are incurred for purposes of which the following unrestricted fund balance classifications are available:

1. Committed
2. Assigned
3. Unassigned

## SPECIAL REVENUE FUNDS

Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. GASB Statement No. 54 requires that special revenue funds have restricted or committed proceeds of specific revenue sources that are expected to continue to comprise a substantial portion of the inflows reported in the fund. For this purpose, the City defines proceeds from significant revenue sources as a single or combination of restricted or committed inflows which are expected to comprise 35% of the total revenue and other financing sources of the special revenue fund.

The Finance Director shall be charged with maintaining a listing of all special revenue funds reported by the City. This listing shall include the purpose of the fund and the significant restricted or committed revenue stream(s) this is (are) the basis for the fund.

# Glossary of Terms

## Adopted Budget

The budget numbers after the City Council has voted on the proposed budget and any changes made thereto.

## Assets

Resources having a monetary value and that are owned or held by an entity.

## Budget Calendar

A scheduling of tasks to be performed by the departments, internal review, committee and the Finance Department. Each task will have an expected completion date.

## Budget Document

A written report showing a government's comprehensive financial plan for a specified period, usually one year that includes both the capital and the operating budgets.

## Budget Officer

City Administrator.

## Capital Budget

The City's budget for projects, major repairs, and improvements or additions to the City's fixed assets (streets, sidewalks, roads, sewers, stormwater, parks, and buildings).

## Capital Improvement

A term that includes land, structures, facilities, machinery, equipment, or furnishings having a useful life of longer than one year.

## Capital Outlay

City policy requires the use of capital outlay for capital items with a cost of \$5,000 or more for general assets and \$25,000 or more for infrastructure assets. It also allows, but doesn't require, the use of capital outlay for capital items that cost less than \$5,000 for general assets or \$25,000 for infrastructure assets.

## Capital Projects

Major repairs, improvements or additions to the City's fixed assets (streets, sidewalks, roads, sewers, stormwater, parks, and buildings).

## Comprehensive Annual Financial Report (CAFR)

The annual audited results of the City's financial position and activity.

## Current Fiscal Year

July 1, 2013 through June 30, 2014.

## Debt Service

Interest and principal on outstanding bonds due and payable during the fiscal year.

## Depreciation

Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of physical elements, inadequacy or obsolescence.

## Employee Benefits

Benefits include social security, retirement, group health, dental, vision, and life insurance, worker's compensation, and disability insurance.

## Enterprise Funds

Governmental activities that can be operated most like a commercial business are referred to as enterprise activities and are accounted for in enterprise funds. Winder's enterprise activities include water and sewer, gas, solid waste management, and special facilities. Expenditures are matched with revenue from service charges to insure the program is self supporting.

**Capital Assets**

Includes equipment, vehicles, furniture and fixtures, computer hardware and software with a cost basis in excess of \$5,000, and infrastructure with a cost basis in excess of \$25,000.

**Fund**

A budgetary and accounting entity with balancing revenues and appropriations.

**Fund Balance**

Amount left over after expenditures and interfund transfers out are subtracted from resources. Each fund begins and ends each fiscal year with a positive or negative fund balance.

**General Fund**

This fund accounts for the financial operations of the City which are not accounted for in any other fund. Principal sources of revenue are sales taxes, licenses, and charges for administrative services from other funds. Primary expenditures are for law enforcement, fire protection, street maintenance, and general government.

**Infrastructure**

Public domain fixed assets such as roads, bridges, streets, sidewalks and similar assets that are immovable.

**Indirect Costs**

Administrative costs that are incurred in the General Fund which are in support of an operating program. These charges are budgeted as indirect costs allocations.

**Internal Fund Charges**

Charges allocated to the applicable departments from the Internal Service Funds.

**Next Fiscal Year (New Budget Year)**

July 1, 2014 through June 30, 2015.

**Operating Budget**
