City of Winder

MAYOR
 David Maynard

CITY ADMINISTRATOR
 Donald Toms

June 27, 2016

The Honorable Mayor David Maynard
 Members of the City Council and Citizens of the City of Winder

We are pleased to present to the citizens of Winder, members of City Council, City employees, and other interested parties our recommended annual budget for the fiscal year ending June 30, 2017. The recommendations are based on a great deal of study and review by our management team working closely with the Mayor and Council. It is a consensus that the City continues to provide high level of services for the citizens, customers, and visitors of the City of Winder. The goal of the City is to maintain and improve the City's quality of services while preserving the City's financial position without putting unjust financial burdens on our citizens.

Budget Highlights

- The City's FY 2016-2017 operating budget increased by \$1,869,200, or 6.3%, over the FY 2015-2016 operating budget; and increased by \$3,370,500, or 11.8%, over the FY 2014-2015 operating budget. The comparisons are as follows:

Funds	FY 2015	FY 2016	FY 2017
General Fund	\$ 13,349,700	\$ 13,784,900	\$ 15,272,500
Television Station Fund	195,900	144,400	155,600
Police Escrow Fund	5,000	5,000	5,000
Festivals Fund	-	51,100	63,100
Hotel Motel Fund	20,900	20,900	31,500
LMIG Fund	-	-	225,000
Water Fund	11,174,900	13,423,200	13,226,000
Environmental Protection Services Fund	156,500	182,500	442,100
Gas Fund	8,138,800	7,018,600	6,973,700
Solid Waste Fund	655,700	668,000	671,700
Special Facilities Fund	542,700	394,400	392,100
Chimneys Golf Course Fund	934,900	973,600	1,038,800
Utility Services Fund	736,400	779,200	778,000
Building Fund	600,700	567,600	607,500
Total	\$ 36,512,100	\$ 38,013,400	\$ 39,882,600

- The City will fund the Winder Library with \$150,000, which is consistent with the funding for FY 2016.
- The Winder Downtown Development Authority will be funded with \$30,000, which will be accounted for by the City of Winder.
- In the General Fund, the City is projecting to see revenue increases in Local Option Sales Taxes due to the continued commercial & retail growth within the City and Barrow County. The City's Fire Tax revenues are expected to increase due to annexations and the increase in assessed property values in the City.
- The General Fund also has the largest increase in expenditures due the following:
 - Budgeting a full year for the additional personnel in the Fire Department that was approved in last year's budget.
 - Increase in the Technology Services Department due to replacing outdated equipment.
 - Increase in the Planning, License and Permitting Department for possible condemnations of blighted property in the city.
 - The Police Department's increase is mostly due to the increase in its portion of the indirect costs.
- The City of Winder assumes that all capital purchases will be acquired with proceeds from debt or revenues that exceed expenditures
- The Environmental Protection Services Fund's budget more than doubled due to additional costs associated with additional repairs and maintenance on the City's stormwater infrastructure.

www.cityofwinder.com Phone (70) 867-3106 Fax (770) 867-0587

- The Hotel Motel Fund revenues are expected to increase due to the construction of a new hotel within the City of Winder. A 67 room Holiday Inn Express should be completed by the end of the 2016 calendar year.
- The City's total cost of personal services is 28.4% of the total operating budget. The FY 2017 budget reflects a 5% increase in insurance costs and 3% possible merit raise for the employees.
- The City continues to reorganize to enable the most services for the money. In the FY 2016-2017 budget the overall number of Full Time Equivalents (FTE's) decreased by 1. The changes are as follows

Department	Additions		Reductions		FTE Net Change
Municipal Court/Probation	Court Clerk (.5)				0.50
Police			Evidence Technician (.5)		(0.50)
Gas Fund			Utility Worker II		(1.00)
			Total Change		(1.00)

- During FY 2016 the City determined that the need of 2 full time court clerks was essential for continuity and cross training. This change was made possible by the reduction of the Evidence Technician position in the Police Department which also allowed the total number of FTE's in the General Fund to remain constant.
- In the FY 2016 budget, the Gas Department requested additional staff to help with increases in the workload. After re-evaluating the Gas and Water Departments, the position was never filled so the additional Utility Worker II position was determined to not be needed so it has been eliminated in the FY 2017 budget.

Accomplishments and Priorities

Below are some of the accomplishments and priorities of the City that show our continuing commitment to excellence and fiscal responsibility:

- Originally, the John O. Mobley Public Safety Building was built to house both the fire & police departments, but when the City purchased a new home for the Police Department, the Fire Department was able to completely renovate this building for their use. The renovations began in FY 2015 and were completed during FY 2016.
- The Georgia Firefighters Burn Foundation awarded the Fire Department 1st place for highest per capita collections that were donated to the foundation.
- The City of Winder's Streetscape program, which began during FY 2013 with funding from the Georgia Department of Transportation's (GDOT) traffic enhancement grant, was completed in May 2014. Moving forward the City is continuing to enhance other streets in downtown Winder. During FY 2015, the City contracted with Keck & Wood Engineering to create a master plan of the area surrounded by N. Broad Street, W. Athens Street, Woodlawn Avenue, and W. Candler Street. Improvements anticipated are improved parking areas, green space, upgraded sidewalks, pedestrian lights, landscaping, and any necessary utility improvements. Construction on this project should begin in August 2016.
- During FY 2013, the City began its Fixed Network project which replaces the City's current drive-by meter reading system with the Sensus Flex Net Automatic reading system for our utility customers. This project is primarily funded with a \$3,000,000 GEFA (Georgia Environmental Finance Authority) loan with an interest rate of .70% for 10 years. As of June 2016, the City has installed approximately 18,300 new Sensus smart points within the water and gas system.
- The City of Winder continues to work with the City of Auburn to redevelop a rock quarry that is located in Barrow County into a 1.1 billion gallon pump storage reservoir. The City of Winder's portion of the project is currently projected to cost approximately \$20.8 million. The City of Auburn has received funding from the Governor's Water Supply Program (GWSP), and the City of Winder is working with GEFA in hopes of receiving the needed financing from the State Revolving Fund.
- During FY 2016, the City purchased property that will be used to construct a new water tank and pump station during the upcoming budget year.
- Another major project that will begin construction during FY 2017 will be the Fort Yargo intake, pump station and raw water line that will enable the City to pump additional water from Fort Yargo Lake. This project will span across multiple years, cost approximately \$8 million, and give the City access to additional water for its customers. Funding for this project is expected to come from a GEFA loan.
- Two multi-faceted projects that were started in FY 2016 that will be completed during FY 2017 include the McNeal Road and Candler Street improvements and the East Broad Street Realignment. Both of these projects include improvements to the stormwater, sewer, water, sidewalks, and roadway.

- Several awards that the Water Fund received during FY 2016 were as follows:
 - 2015 Wastewater Treatment Plant of the Year
 - 2015 Top Operator of the Year
 - 2015 Gold Awards:
 - Cedar Creek Wastewater Treatment Plant
 - Marburg Creek Wastewater Treatment Plant
 - Highway 53 Water Treatment Plant
- The Winder Cultural Arts Center will again host the Southern Circuit Tour of Independent Filmmakers Tour during FY 2016-2017 which will be managed by the Winder Television Station.

Acknowledgements

The Fiscal Year 2017 Annual Budget for the City of Winder is a product of months of considerable effort by many individuals beginning with the input and analysis of staff members at all levels of the organization, and continuing through the final decisions and commitment of the Mayor and City Council. This budget shows our dedication to our employees, the community's quality of life, and the efficient stewardship of public funds. My appreciation goes to all involved in this process.

Sincerely,

Donald Toms
City Administrator

Finance Director

About Winder

General Information

The City of Winder, Georgia, incorporated by an act of the Georgia General Assembly in 1894, is the county seat for Barrow County, Georgia, and is located between Atlanta to the west, Athens to the east, Interstate 85 to the north and state highway 316 to the south. Originally incorporated as Jug Tavern in 1884, Winder was named in honor of John H. Winder, general manager of the Seaboard Railroad, for his contribution in bringing the railroad and related passenger station to the City. The railroad provided the City with mobility as well as cultural and economic advantages. The Seaboard Railroad for many years ran six passenger trains and eight freights through Winder each day.

The City of Winder is the largest city in Barrow County, and is the county seat. Barrow County is located in the center of Georgia's Golden Triangle and is the nucleus of research and technological advancements. In close proximity to Atlanta, Barrow County is just west of Athens and east of Gwinnett County. This central location, between four large employment and educational markets, makes Barrow County an escape from congested traffic and city noise. Like many other communities, Winder saw a decline in residential growth from 2008 through 2012; however, Barrow County was among the top 20 fastest growing counties in the country during the previous decade. Since FY 2013, the City has annexed over 170 residential and commercial parcels. One very large commercial tract that was annexed continues to bring new businesses to the area. The City has also seen increases revenues from building permits, sales taxes, franchise fees, and utility charges.

The City operates under a mayor-council form of government with a six member elected council, a mayor elected at large, and an appointed professional city administrator. The Mayor and Council members serve overlapping four-year terms. The City Administrator handles daily administration and management, with policy and guidance provided by the Mayor and Council. The City provides a full range of services. These services include police and fire protection; natural gas; water; sanitary sewer; solid waste disposal; cultural and recreational activities; planning and zoning; and the construction and maintenance of highways, streets, storm water, and infrastructure. During 2009, the City was designated as a "Certified City of Ethics" by the Georgia Municipal Association. Around a third of the cities in Georgia have received this designation.

Funding for the operations of the City comes from the following primary sources: sales taxes, fire taxes, fines and forfeitures, licensing and permitting activities and utility and golf course profits. The Fire Tax is the only property tax that the City has assessed since 1977, which is currently 3 mills of the assessed taxable property values in the City. Over the last few fiscal years, there have been increases in most of the funding sources of the City.

Basis of Budgeting

The basis of budgeting used for all Governmental Fund Types (all funds except those associated with Proprietary Funds – Water and Sewer, Environmental Protection Services, Gas, Chimneys Golf Course, Solid Waste, Special Facilities, Utility Service, and Building funds) is the same as that used for accounting purposes – the modified accrual basis except as noted. Under this basis, revenues are estimated when they are both measurable and available. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are budgeted when the related fund liability is due. Principal and interest on long-term debt is budgeted when due or when amounts have been accumulated in the debt service fund for payments to be made early in the following year. Under this method, revenues are estimated when earned and expenses budgeted at the time liabilities are incurred. Exceptions from the accrual basis are collections on notes receivable as revenue in the year received; payment of debt principal is budgeted as expenditure when paid; capitalized assets are budgeted when incurred; and depreciation is not budgeted.

Indirect costs of general government and administrative support are fully allocated to the City's operational departments and funds. The purpose of the indirect cost allocations is to charge the operating departments and funds for administrative support services. Costs are allocated based on actual expenditures by functional activity.

Budget Process

The annual budget serves as the foundation for the City of Winder's financial planning and control. The annual budget process begins with the City Administrator, Finance staff and department heads working together to analyze funding needs. Prior to May, the Finance Department prepares a draft budget for the City Administrator. After reviewing the draft budget and meeting with the departments, the City Administrator and Finance staff prepares a Proposed Budget. The Mayor presents the proposed budget to City Council in May. The Council conducts public hearings in May and/or June, and adopts budgeted revenues and appropriations for the upcoming fiscal year by ordinance no later than June 30, the close of the City's fiscal year. The budget is prepared both by fund, function (e.g. public safety) and department (e.g. police). The City Administrator is permitted to transfer appropriations within a department. Transfers between functions and departments and subsequent budgetary amendments require the approval of the City Council. The process followed in the preparation of this budget complies with the State of Georgia.

During the process for the FY 2017 Budget, however, it was necessary to extend the normal process to enable the staff to have everything compiled, and the council the opportunity to be present for the Public Hearing and the Council Meeting to adopt the budget. To comply with this extension, the City Council voted to adopt the FY 2016 budget until the FY 2017 budget is approved.

Budget Calendar

February 10	Budget Kickoff Meeting with Department Heads to distribute budget worksheets.
March 13	Departmental requests due to Finance.
May & June	Budget requests discussed during the regular Council Committee meetings.
June 7	Council adopts FY 2015-2016 budget until the FY 2017 budget is approved.
June 27	FY 2016-2017 Preliminary Budget available for public inspection.
July 5	Public Hearing
July 12	Council Adopts FY 2016-2017 Budget.

Budget Amendment Process

The adopted budget appropriates certain amounts to each fund to be used at the discretion of the City Council. However, during the fiscal year special appropriations may be made for specific unforeseen events by approval of a resolution by the City Council. Specific appropriations may include funding for service level policy changes, unforeseen catastrophic events, or redirection of resources.

Budget changes are adopted during the year by the City Council at a regularly scheduled meeting. Annually, City Council passes a resolution recognizing the various budget amendments made during the year.

PRESENTED TO

**City of Winder
Georgia**

For the Fiscal Year Beginning

July 1, 2015

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Winder, Georgia for its annual budget for the fiscal year beginning July 1, 2014. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Fund Descriptions

The City's financial operations are budgeted and accounted for in the funds listed. The funds are grouped by major types, as set forth by the Governmental Accounting Standards Board (GASB) and the Georgia Department of Community Affairs chart of accounts.

Governmental Funds

General Fund

The General Fund accounts for resources devoted to support the services associated with local government. Programs resident in the General Fund are general administration, public safety, public works, and any other activity for which a special fund has not been created.

Special Revenue Funds

Special revenue funds are used to account for the proceeds of specific revenue sources that are restricted legally to expenditures for specified purposes. The City utilizes five funds of this type, which are the Hotel/Motel Tax Fund, the Community Television Station, the Grant Fund, the Festivals Fund, and the Police Escrow Fund.

Capital Projects Fund

The Capital Projects Fund accounts for financial resources to be used for the acquisition or construction of major capital projects and is budgeted on a project basis. The City maintains three Capital Project Funds to account for the receipt and use of the City's share of the 2005 Special Purpose Local Option Sales Tax (SPLOST) proceeds, the 2012 SPLOST proceeds, and the Local Maintenance & Improvement Grant (LMIG) Program.

Fiduciary Funds

Agency Fund – Municipal Court

The Municipal Court Fund is used to account for the monies received for fees collected and owed to other agencies within the State of Georgia and Barrow County. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

Enterprise Funds

Enterprise funds account for goods and services provided on a continuing basis to the general public and are structured to be self-supporting.

Water and Sewer Fund

The Water and Sewer Fund is the largest of the ten proprietary funds operated by the City. The Water and Sewer Fund accounts for the operations of the water and sewer systems of the City. The system supplies water and sewer service to area residents and to industrial and commercial users in the City and County.

Environmental Protection Services

The Environmental Protection Services Fund (EPS) records revenues and expenditures associated with the operation and maintenance of the City's stormwater systems and the management of the FOG program and Watershed Protection Plan.

Gas Fund

The Gas Fund is the second largest of the ten proprietary funds and accounts for the distribution and sale of natural gas in the City of Winder and the counties of Barrow, Walton, and Oconee.

Natural gas sales are very seasonal in nature and are the highest during the colder months of the year.

Solid Waste Management Fund

The Solid Waste Management Fund accounts for the contract costs of solid waste collection, disposal, and recycling. During FY 2012, the City entered into a contract with Waste Management to collect and dispose of the business and residence solid waste.

Chimneys Golf Course Fund

The Chimneys Golf Course Fund is the newest of the proprietary funds and accounts for the operations and maintenance associated with managing the Chimneys Golf Course which is located at 338 Monroe Highway, Winder, Georgia.

Special Facilities Fund

The Special Facilities Fund is used to account for the rents and other income and the related costs (including depreciation) of operating the City's Community Center, Adult Education Center, Historic Train Station, the Cultural Arts Center, and other City-owned income producing buildings.

Broadband Fund

The Broadband Fund was used to account for the fiber infrastructure installed that the City has available to lease to businesses in the City's downtown area. It is no longer an active fund.

Internal Service Funds

The Internal Service Funds account for goods and services provided by one department to other departments or funds on a cost-reimbursement basis. In addition, certain services are supplied to outside agencies for a fee. The Utility Service Fund accounts for the billing and cash collections for all of the other utility funds. The Building Fund accounts for the purchase and capital costs of its general governmental buildings which are used by multiple departments. The Building Fund also accounts for all utilities, maintenance, and repairs to all City-owned buildings so that all costs associated with any building can be easily identified and monitored. The Fleet Maintenance Fund was used to account for the vehicle maintenance of the City's fleet; however, this has now been outsourced and is accounted for within each department.

Component Unit

The Component Unit Fund is used for the discretely presented Component Units of the City. The only discretely presented Component Unit the City has at the present time in the Downtown Development Authority.

General Fund Revenues

The primary sources of revenue are fire taxes, Local Option Sales Tax (LOST), licenses and franchise fees, fines & forfeitures, and indirect cost allocations for administrative services for other funds.

Taxes

Fire Taxes

Fire Taxes are currently 3.00 mills of assessed value of taxable property within the City. The current tax is estimated to cover approximately 41.3% of the budgeted expenditures for the Winder Fire Department.

Street Light Assessment

The Street Light Assessment fee is assessed to each parcel of real property within the City limits to cover the cost of providing street lights and traffic signals in Winder. The fee has been set at \$50 which covers approximately 96% of the budgeted costs for street lights and traffic signals.

LOST (Local Option Sales Tax)

The LOST proceeds are expected to increase compared to the 2015-2016 estimated LOST revenues. During FY 2013, Barrow County and the cities within Barrow County renegotiated the LOST distribution. The City of Winder's percentage increased from 19.37% to 20.80%. Since the drastic decline during fiscal year 2008-2009, the LOST revenues have continued to grow even through the recession because commercial growth has continued in Winder and Barrow County. The sales tax millage rollback for the FY 2016-2017 is 6.3505 mills.

Occupational, Beer, Liquor, Wine Excise Taxes and Insurance Premium Taxes

In December 2014 the City Council approved an increase in the occupational rates charged to the businesses in the City of Winder. These changes plus the growth in Winder are expected to increase budgeted revenues by approximately 32% over revenues in the FY 2016 budget. Insurance Premium Taxes increased during Fiscal Year 2016 so the City is expecting an increase over the FY 2016 budgeted revenues by approximately 5%.

Franchise Fee

Franchise Fees are expected to increase slightly due to the annexations that have taken place over the last few years.

License & Permits

Due to continued growth in Winder, budgeted revenues from licenses and permitting are expected to increase by approximately \$92,000 or 49% over the FY 2016 budget.

Fines & Forfeitures

The City's revenues from Fines and Forfeitures were lower than budgeted during FY 2015 and FY 2016 so a reduction is reflected in the budget for FY 2017.

General Fund Legislative

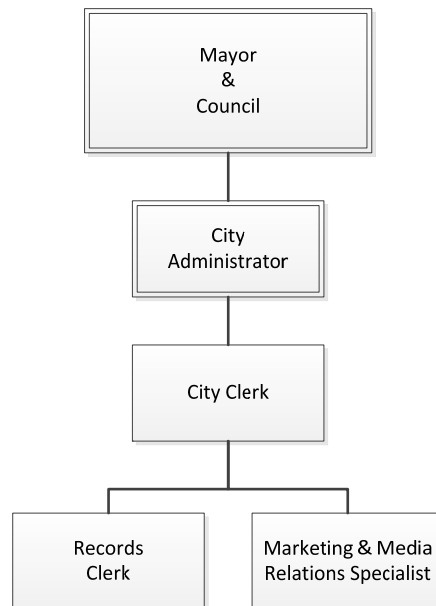

Statement of Purpose

The City of Winder, incorporated in 1894, operates under a Mayor-Council form of government. The legislative section includes the expenditures directly related to the Mayor and Council including such items as salary and benefits, costs of meetings and related expenditures together with those funds designated for the support of other organizations. The elected Mayor is the Chief Operating Officer, as well as, the Chief Executive Officer of the City. He is responsible for the day-to-day activities of the City. The six Council members are elected to four years with the terms staggered representing the four Wards of the City with two members at-large.

General Fund GIS

Statement of Purpose

To provide support to all City departments and the general public. GIS (Geographic Information System) integrates geographical information from a variety of sources, including GPS, to create maps for all City departments, including, but not limited to, public utilities (*water, natural gas, stormwater and sewer*), public works, public safety (*police and fire*), administration and the general public.

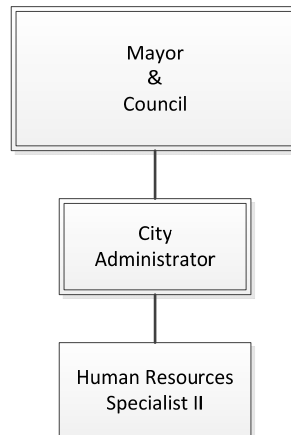

Program Objectives

1. To create and maintain many different mapping layers with the integration of data from various applications into spatially referenced information.
2. To provide assistance in creating maps for publication and distribution throughout the City.

Finance

Statement of Purpose

The Strategic Mission of Finance is to clearly define and flawlessly execute common financial processes and to provide expert financial systems and reporting to the City's operating business units and the Mayor and Council, thereby allowing them to provide superior services to our customers and citizens.

Primary functions include accounting, budgeting, managing and investing cash, managing debt, paying invoices, executing payroll, billing receivables, and collections (utilities, business licenses, taxes, hotel/motel taxes, miscellaneous). The department is responsible for the financial reporting, and the purchasing. Although budgeted separately, the department also oversees the Municipal Court, Billing & Collection, and Community Center.

Program Objectives

1. Prepare the FY 2015-16 Comprehensive Annual Financial Report (CAFR) in a format that qualifies for submittal to the Government Finance Officer's Association (GFOA) Certificate of Achievement in Financial Reporting program.
2. Prepare the FY 2016-17 adopted budget document in a format that qualifies for submittal to the GFOA Distinguished Budget Award program.
3. Prepare the FY 2015-16 Citizens' Report in a format that qualifies for submittal to the GFOA Popular Annual Financial Report (PAFR) program.
4. Provide monthly financial information to the City Council, City Administrator, and Department Heads as a tool for responsible decisions.

Planning, Licensing & Permitting

Statement of Purpose

To provide overall management and administrative support to all City departments, other governmental agencies, local businesses, developers, and the general public by administering the City of Winder Zoning and Development Regulations, and processing City of Winder Building Permits and Business Licenses.

Program Objectives

1. The City of Winder Planning Department is tasked with the responsibility of administering the City of Winder Zoning and Development Regulations.
2. The Planning Department is responsible for administering and coordination of the development review process. All applications for annexations, rezones, variances and conditional uses are submitted to the Planning Department, and must then go before the Planning Board and the City Council for review and recommendations.
3. The Planning Department is frequently given special tasks associated with the Georgia Department of Transportation, i.e., road improvement projects and streetscape projects. Also, the Department is asked to work with other departments closely on culvert replacement projects and general drainage projects. The Department also may acquire right-of-ways and easements for drainage and roadway projects.
4. The License & Permits office is tasked with the responsibility of administering the City of Winder Building and Licensing Regulations and Code Enforcement. This office also acts as the clerk for the Planning Department as well as for the Historic Preservation Commission.

Housing & Development (GICH)

Statement of Purpose

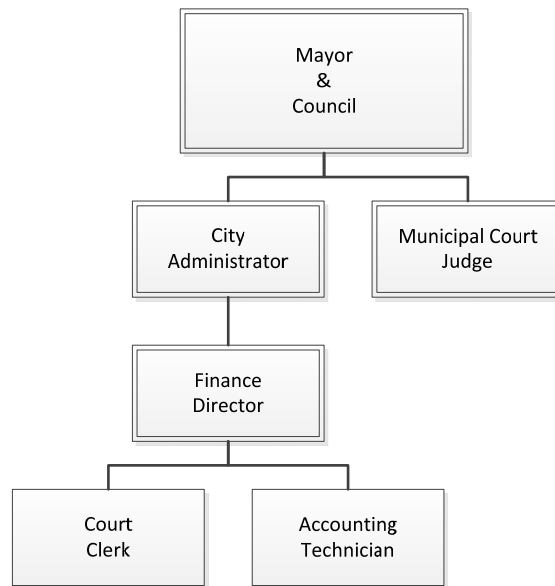

The Georgia Initiative for Community Housing (GICH) is a program sponsored by the University of Georgia, the Georgia Municipal Association, Department of Community Affairs and others. The purpose and goal of this program, quite simply, is to improve the quality and quantity of affordable housing, which is a pressing need in every section of the state. The statewide program offers training, technical assistance and organization assistance to local communities to develop strategies to meet their individual needs. ***This program was not funded in the FY 2017 budget.***

Program Objectives

1. Emphasis on homeownership whenever possible.
2. Partnership with local faith-based organizations and others (such as Habitat for Humanity) to build and repair owner-occupied housing for low and moderate income families.
3. Partner with the local private sector to improve conditions in rental housing.
4. More vigorous code enforcement when necessary.
5. Partnership with the local housing authority with the emphasis on public housing being transitional housing whenever possible and not permanent housing.
6. Use appropriate housing solutions as part of Winder's downtown revitalization efforts.

General Fund Police

Statement of Purpose

To carry us through this new century we reinforce our vow to protect and serve our community while ensuring the basic rights and quality of life are held to the highest proven standards of excellence. The Winder Police Department’s mission is to enhance the quality of life in our community, working cooperatively with the public to prevent crime; preserve the peace; enforce laws with respect to the constitutional rights of all citizens; reduce fear; and provide for a safer community environment. The end result is an efficient and professional Department that represents and works for the common good of all the citizens of Winder.

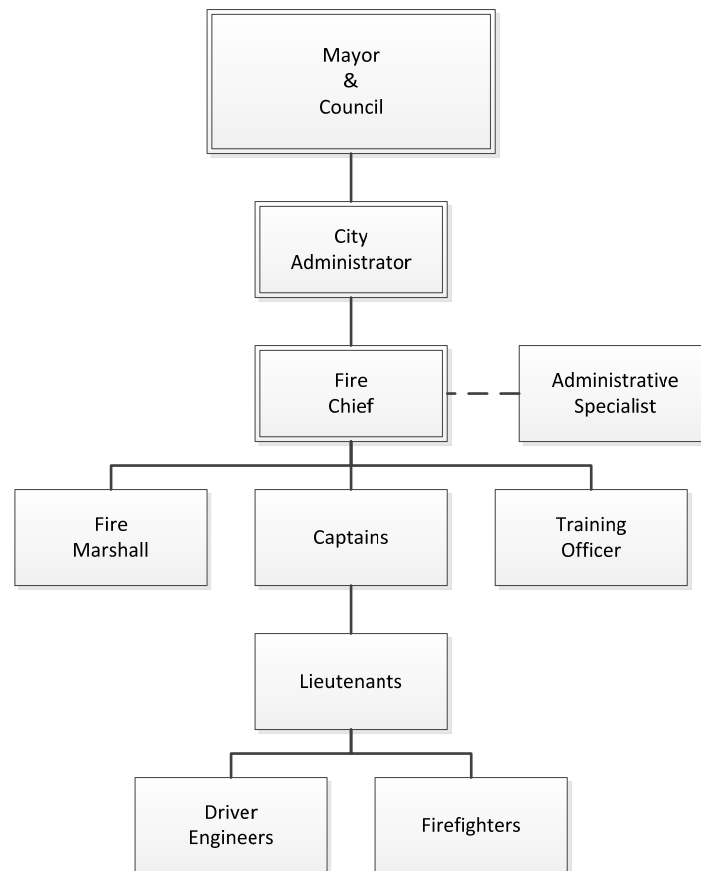

Program Objectives

1. Uphold and enforce the laws of the state and city through professional law enforcement.
2. Deploy traffic enforcement assets to target high accident and neighborhood locations for directed traffic enforcement efforts to further reduce collisions.
3. Assign officers to specific areas and community organizations.
4. Expand and enhance the use of crime analysis data to better understand crime trends in the community and inform citizens of activity in their neighborhoods.
5. Develop empirically based staffing plan and funding alternatives to make sure the department’s presence in Winder keeps pace with population and crime activity growth in the community.
6. Complete and maintain a five-year strategic plan for the department.
7. Effectively review and investigate crimes against persons and property.

Fire

Statement of Purpose

To constantly provide a superior level of fire prevention, fire safety education, fire suppression, rescue and customer service to our citizens and business community. To provide support to the Chamber of Commerce, Downtown Development Authority, Industrial Authority, Partners in Education and other community and public safety agencies when called upon. To understand and foster with a vigilant attitude and understanding, when government, citizens and business share in a vision, success is created.

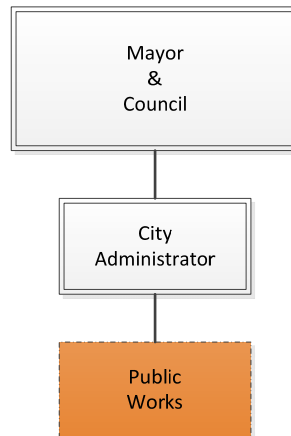

Program Objectives

1. Continue to provide outstanding customer service through smoke detector installation, battery replacement for seniors, blood pressure screening, CPR, fire extinguisher classes, and personnel to maintain the city's ISO Class 2 Insurance rate.
2. Continue to update fire equipment, communication system, and fire apparatus.
3. Provide funding for firefighters to attend National Fire Academy, Georgia Fire Academy, and other classes of interest and programs that will promote safety, health, and morale.
4. Plan & inform citizens & firefighters of the department's commitment regarding emergency preparedness.
5. Provide outstanding Fire Prevention, Fire Safety Education, Fire Inspections, and Fire Investigations for our citizens and business community.
6. Maintain our 21 year record of no fire fatality within the city limits (last fatality December 25, 1992).
7. Daily complete our mission of protecting lives and property with pride and professionalism: "Together is Better."

Public Works

Statement of Purpose

Assure safe operation of the City's street system. This department's primary functions are installation and maintenance of street and traffic signs, maintenance of off-street paths, installation and maintenance of pavement markings, and coordination with contractors hired to repair/maintain pavement surfaces. Public Works is also responsible for the City's building and cemetery maintenance.

The Roads program is also involved in various efforts associated with public rights-of-way, such as:

- Management of City signs.
- Maintenance of guardrails, bikeways and pedestrian paths.
- Maintenance of all publicly owned parking areas.
- Maintenance of street trees, litter control and vegetation control.
- Installation of handicapped accessible ramps at intersections.
- Sanding streets during inclement weather.
- Graffiti removal.

Program Objectives

1. Effective, efficient maintenance of road surfaces and signage through a systematic approach that quickly corrects damaged signs and roadway/pathway surfaces, including maintaining clear markings on roadways and crosswalks to promote safety.
2. Effective, efficient maintenance of road rights-of-way resulting in an attractive community free of sign clutter and obstructions to traffic flow.

Television Station

Statement of Purpose

To enhance community awareness of local government activities and services and to promote the City of Winder and surrounding communities as a whole.

Program Objectives

1. To provide quality programming that educates, entertains and informs viewers.
2. To provide comprehensive, in-depth coverage of the operations and services provided by the City of Winder.
3. To improve emergency communications in the event of a disaster, pandemic outbreak, or other event requiring widespread communications.
4. To provide gavel-to-gavel coverage of Barrow County Board of Commissioners meetings and Winder City Council meetings so citizens may see their local governments in action.
5. To highlight the individuals, businesses and organizations that make this community a better place to live.
6. To promote a better sense of community by producing programs that star the people and places viewers know.
7. To provide a positive, family-friendly alternative to other programming currently available on television.

Police Escrow

The primary source of revenue is from confiscated assets.

Statement of Purpose

To account for money or assets that the Winder Police Department, during its normal course of business, may confiscate. Federal and state laws dictate that the courts can release the assets to the applicable agency and any profits can only be used to purchase equipment for the Police Department.

Capital Outlay

No capital expenditures have been budgeted for this fund.

Special Revenue Fund

Hotel/Motel

The primary source of revenue is the 7% Hotel/Motel tax levied on hotel/motel room rental charges.

Statement of Purpose

To account for the proceeds of a specific revenue source that is restricted legally to expenditures for specified purposes. The tax is used to promote tourism and trade through the Barrow County Chamber of Commerce, the Community Center, Cultural Arts Facility, and any other means that the City deems necessary to promote tourism and trade within the City of Winder.

Capital Outlay

No capital expenditures have been budgeted for this fund.

SPLOST 2005

The primary source of revenue is SPLOST (Special Purpose Local Option Sales Tax). These funds are limited for use on the following:

1. Streets
2. Recreation Facilities, Downtown Redevelopment Projects, and Streetscapes
3. Sewer Facilities

Statement of Purpose

To account for the receipt and use of SPLOST proceeds for the approved projects based on the June 21, 2005 referendum and the Intergovernmental Sales Tax Agreement for the Use and Distribution of Proceeds from the 2005 Special Purpose Local Option Sales Tax for Capital Outlay Projects.

Capital Projects

SPLOST 2012

The primary source of revenue is SPLOST (Special Purpose Local Option Sales Tax). These funds are limited for use on the following:

1. Water and Sewer Infrastructure, Improvements, Facilities, and Equipment
(64% of funds received).
2. Roads, Streets, Curbs, and Bridges (including storm water structures)
(36% of funds received).

On July 7, 2010, the citizens passed a new SPLOST referendum which was effective July 1, 2012.

Statement of Purpose

To account for the receipt and use of SPLOST proceeds for the approved projects based on the July 7, 2010 referendum and the Intergovernmental Agreement for the Use and Distribution of Proceeds from the 2012 Special Purpose Local Option Sales Tax for Capital Outlay Projects.

Capital Projects Fund

LMIG

The primary source of revenue is the Georgia Department of Transportation Local Maintenance and Improvement Grant (LMIG). These funds are limited to repaving an approved list of streets to upgrade their current condition.

The City is required to match 30% of the grant because the TSPLOST did not pass in Barrow County. The matching percentage is 10% upon approval of the TSPLOST.

Statement of Purpose

To account for the receipt and use of LMIG proceeds for the approved projects based on project list submitted to the Georgia Department of Transportation by the City of Winder.

Water Fund Revenues

The primary source of revenues are user charges based on monthly water consumption and sewer charges applied to using 90% of the monthly water consumption.

The Water and Sewer Fund records revenues and expenditures associated with operation and maintenance of the City’s water and sewer systems. Revenues collected maintain the water system operations, including water supply, treatment, storage, and sewer system operations including wastewater collection and treatment, as well as compliance with EPA and Georgia EPD requirements. Additionally, Water and Sewer Fund revenues are used to fund the general operations of the City including fire, police, streets, and general administration. Charges for services are billed based on actual water consumed. Sewer is billed based on 90% of actual water consumed for customers inside the city and on 100% of actual water consumed for customers outside the city.

During FY 2014, the City hired a consultant to perform a rate study to determine the required water & sewer rates needed to cover the future projects, debt service and annual operation & maintenance costs. Based on the findings of this study, the City implemented new rates that will increase projected revenues during FY 2017.

The City's Current Water & Sewer rates:

Base Water Rates (residential effective 4/1/2015)

Line Size	Inside City Limits	Outside City Limits
5/8 – 3/4 inch line	\$ 15.50	\$ 25.20

- **Non-metered Sewer Volume:** *Non-metered residential sewer will be charged the base rate of \$30.30.*

Definitions & Notes

The **Base Rate** is the minimum bill that a customer is charged based on meter size. This fee is set to recover the costs of meter maintenance and replacement as well as meter reading, billing costs, fire hydrants, and general repairs to water mains.

Equivalent Residential Unit or ERU shall mean the number of residential units to which the water demand of a customer is equivalent, where a single-family residential unit is assumed to have an average demand of 300 gallons per day. The number of ERUs assigned to a meter shall be determined by the number of residential units it serves.

Dedicated Fire Line charges are related to meter/unmetered fire sprinkler connections to the potable water system. The monthly rate is based upon the connection size and takes into account the amount of water system capacity required for fire suppression. No fees are charged for usage to extinguish fires as designed by the system. A penalty may be assessed in addition to the \$11.50 per 1,000 gallons against owners using the line for purposes other than maintenance.

Temporary disconnection due to repair – When requested between normal business hours the City will temporary disconnect and reconnect water service at the meter for a customer to make personal repairs.

The City is not responsible for any repairs or leaks on lines leaving the meter or to include but not limited to: leaking toilets, faucets, private lines under a structure or within the walls or ceilings.

New Account Connection – This fee is established for the on-site activation of the meter, account setup and other processing. This is a one-time fee per account and covers all utility services to include water, gas, and garbage. The \$50 connection fee covers all service connections.

***Transfer Service** – If the utilities are currently connected at the new address there are no fees. In the event that services are disconnected at the new service address there will be a \$25 charge. A customer's deposit can transfer from one address to another. The customer is required to come by the Utility Billing Department, request that service be disconnected at the old location and connected at the new location. Service can overlap for up to 15 days. Any remaining balance on an old account plus any service charges will be transferred.

****Continuous Service** – During each period of time a Rental Unit is not occupied by a tenant, (an "Interim Period") (1) the City will not discontinue water/gas service to the Rental Unit served by the City, (2) the City will establish an account related to such Rental Unit in the name of the Landlord as of the effective date of termination of service by the tenant or upon special request of the Landlord and (3) the Landlord will be the customer of the City with respect to the sale and delivery of water and/or gas to such Rental Unit under the City's applicable Rate Schedule. In the event that the tenant was disconnected due to lack of payment there will be a \$25 connection fee.

Deposits – The City requires that all customers pay a deposit on each account that they establish. This deposit shall be retained in escrow, without interest paid, by the City of Winder until the account is closed.

or until the customer has established twelve (12) months of on-time payments in full. The deposit will be applied against the final bill or the account (for those with 12 months of on-time payments)

Good Credit Waives the Deposit – The City will not require a deposit for those customers (determination of a deposit is provided from a third party vendor) that meet a good credit criteria. Credit is verified at the time that service is established. No actual credit scores are obtained by the City.

Master Meters for Apartments – All master meters shall be placed in the property owner/manager's name. For residential units the account holder may designate to be placed under either the residential or commercial rate structure (base plus volume). The City will automatically place all master meters or meters larger than 1" at the commercial rate unless requested to be established as residential.

The City's current connection and tap fees for water and sewer are as follows:

WATER CONNECTION FEES BASED ON METER SIZE

5/8"-3/4"	\$	3,500
1"	\$	5,000
1+1/2"	\$	6,500
2"	\$	10,500
3"	\$	15,000
4"	\$	20,000
6"	\$	25,000
8"	\$	50,000
10"-12"	\$	110,000

SEWER CONNECTION FEES -

4" SEWER CONNECTION, FEES PER UNIT	\$	3,500
------------------------------------	----	-------

NOTE: SOME TYPES OF COMMERCIAL OPERATIONS ARE REQUIRED TO PAY A SEWER CAPACITY CHARGE. BUSINESSES SUCH AS RESTAURANTS, CARWASHES, LAUNDRIES, ETC. THE BASE CHARGE IS FOR A 4" CONNECTION. LARGER CONNECTIONS WILL BE AT A HIGHER RATE BASED ON THE HOUSE HOLD EQUIVALENT OF 300 GALLONS PER DAY.

The City has two inter-governmental agreements with Barrow County. One is for the City to bill and collect the usage of the County's sewer customers who have City of Winder water. Also in this agreement, the City collects the County's sewer taps for customers who are in the Winder Water District and the Barrow County Sewer District.

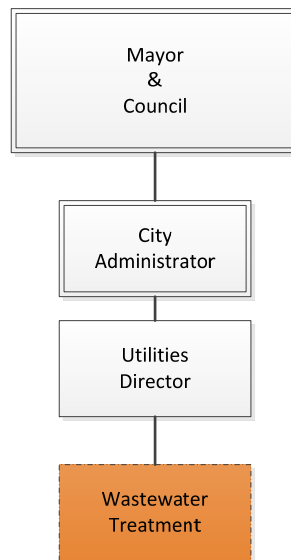

The other agreement is for the County to purchase one million gallons per day of capacity in the Cedar Creek Reclamation Facility which was completed in 2009. The monies collected from Barrow County for this capacity will partially offset the debt that the City incurred to construct this sewer treatment facility. During FY 2016, Barrow County paid off a portion of the loan that covered the costs of construction. This payoff was almost twelve years early and saved the County almost \$700,000 in interest over the rest of the term of the loan. Barrow County will continue to pay the City a portion of each tap fee to cover the initial and future capacity until the remaining portion of the loan is paid in full. The balance owed to the City as of September 2015 is \$4,452,000 for this portion of the loan.

Cedar Creek Wastewater Treatment

Statement of Purpose

The City of Winder strives to exceed our customer's expectations through innovative treatment of water that will assist in promoting a healthy community. The City of Winder will meet or exceed all regulatory requirements while striving to reduce environmental pollution by promoting the efficient use of properly operated treatment facilities (this is the second year that the City has shown separate budgets for each of the two (2) treatment facilities).

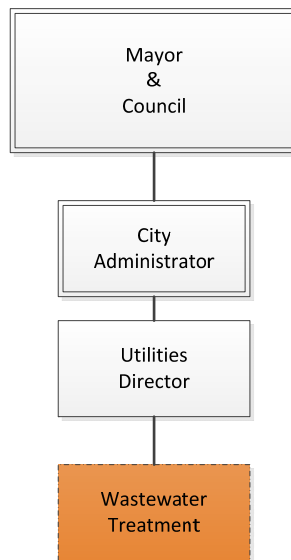

Program Objectives

1. Emphasize customer service, public education, communication and teamwork while providing our customers with a high level of service.
2. Maintain investment in infrastructure systems.
3. Effective operation and maintenance of the water treatment systems.
4. Compliance with all federal, state, and local environmental regulatory requirements.
5. Participate in the City's emergency preparedness program.

Water Distribution

Note: Water - Blue
Gas - Yellow

Statement of Purpose

To provide the customers of the City of Winder with a sufficient supply of high quality potable water which will meet or exceed the regulations or standards for purity, taste, appearance, and provide sufficient fire flow at an equitable rate to our customers. We continually pursue additional water sources, protect current sources, and manage existing supplies.

Program Objectives

1. Emphasize customer service, public education, communication and teamwork to meet the water needs of our customers.
2. Actively implement and enforce the City's water conservation plan and drought contingency plan.
3. Continue to maintain our investment in the infrastructure.
4. Effective operation and maintenance of the water supply and the water system.
5. Compliance with all federal, state, and local environmental regulatory requirements.
6. Participate in the City's emergency preparedness program.

Revenues

The primary source of revenue is from the Fats, Oils, and Grease (FOG) permits and inspections.

In 2003, the City of Winder responded to an environmental mandate from Georgia's Environmental Protection Division (EPD) to develop a comprehensive watershed and stormwater management program to protect the water quality of the state's waterways. This mandated program was necessary per the Watershed Protection Plan and the City of Winder was required to comply with certain phases of the National Pollutant Discharge Elimination System (NPDES) Stormwater Phase II Permit regulations of the federal Environmental Protection Agency (EPA).

Program Objectives

1. To provide education and outreach for the Fats, Oils and Grease Program and Stormwater Program.
2. To provide strict code enforcement of stormwater pollution and FOG violators.
3. To inspect, repair, and maintain publicly owned stormwater management resources (i.e. storm drains, retention ponds, sand filters, and drainage ditches).
4. To inspect creeks and streams for illegal dumping
5. Map and update the City's entire stormwater system, including ponds, pipes, inlets, drainage ditches, etc.
6. To provide dry weather field surveys

The Environmental Protection Services Fund (EPS) records revenues and expenditures associated with the operation and maintenance of the City's stormwater systems and the management of the FOG program and Watershed Protection Plan.

Watershed Protection

Statement of Purpose

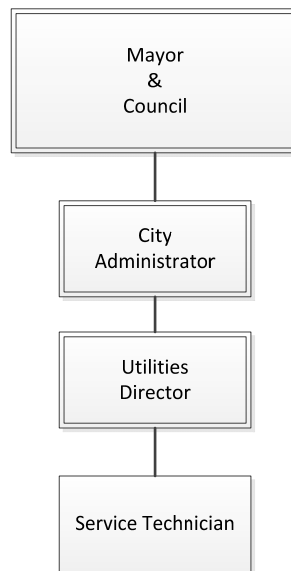

The Watershed Management program is responsible for analyzing the watershed to ensure State and Federal regulations for impaired streams are met. This monitoring program is designed to help Winder achieve its goal of having clean streams and rivers. By monitoring water quality over an extended period of time, this program can evaluate the effect of the Best Management Practices (BMP's) in place.

These functions are now being accounted for in the Stormwater Department.

Fats, Oils, & Grease (FOG)

Statement of Purpose

The Fats, Oils & Grease (FOG) program is designed to properly manage oil and grease discharged into the sanitary sewer system that could potentially result in sanitary sewer overflows. The Department's focus is to establish uniform permitting, maintenance and monitoring requirements for controlling the discharge of fat, oil, & grease from food service establishments discharging into the city's wastewater collection system in the most efficient and cost effective manner possible to the citizens of Winder.

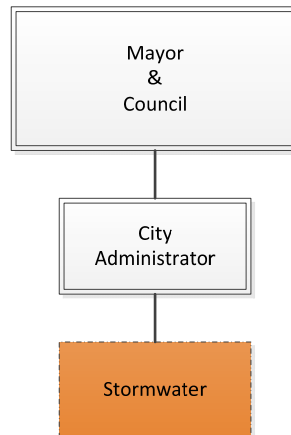

Program Objectives

1. Provide education and information to all Food Service Establishments to assist them with the process of proper grease management.
2. To emphasize compliance with all federal, state, and local environmental regulatory requirements.
3. Actively implement, inspect and enforce the City's FOG ordinances for all food service establishments.
4. Ensure adequate sizing for all new developments.

Stormwater

Statement of Purpose

Stormwater Management is designed to efficiently address flood control, water quality, and the preservation of natural drainage systems. The Department's focus is to inform the public of stormwater issues, and implement a program that monitors and maintains the quality of water that enters our waterways via the municipal storm sewer system in the most efficient and cost effective manner possible to the citizens of Winder.

Program Objectives

1. To effectively address drainage complaints and stormwater concerns received from the citizens of Winder.
2. To emphasize compliance with all federal, state, and local environmental regulatory requirements.
3. Actively implement and enforce the City's Stormwater ordinances for development and illicit discharge.
4. Effective operation, inspection and maintenance of the municipal storm sewer systems.
5. Maintain investment in infrastructure system. Provide education and information on Water Quality Activities required by the Watershed Protection Plan.
6. To emphasize compliance with all federal, state, and local environmental regulatory requirements.
7. Actively implement required activities from the Watershed Protection Plan:
 - a. Assess Baseline Conditions
 - b. Identify Sources of Impairment
 - c. Document Stream Improvement
 - d. Water Quality Program Sampling
8. Annual reporting to EPD.

Gas Fund Revenues

The primary source of revenue is user charges based on monthly natural gas consumption.

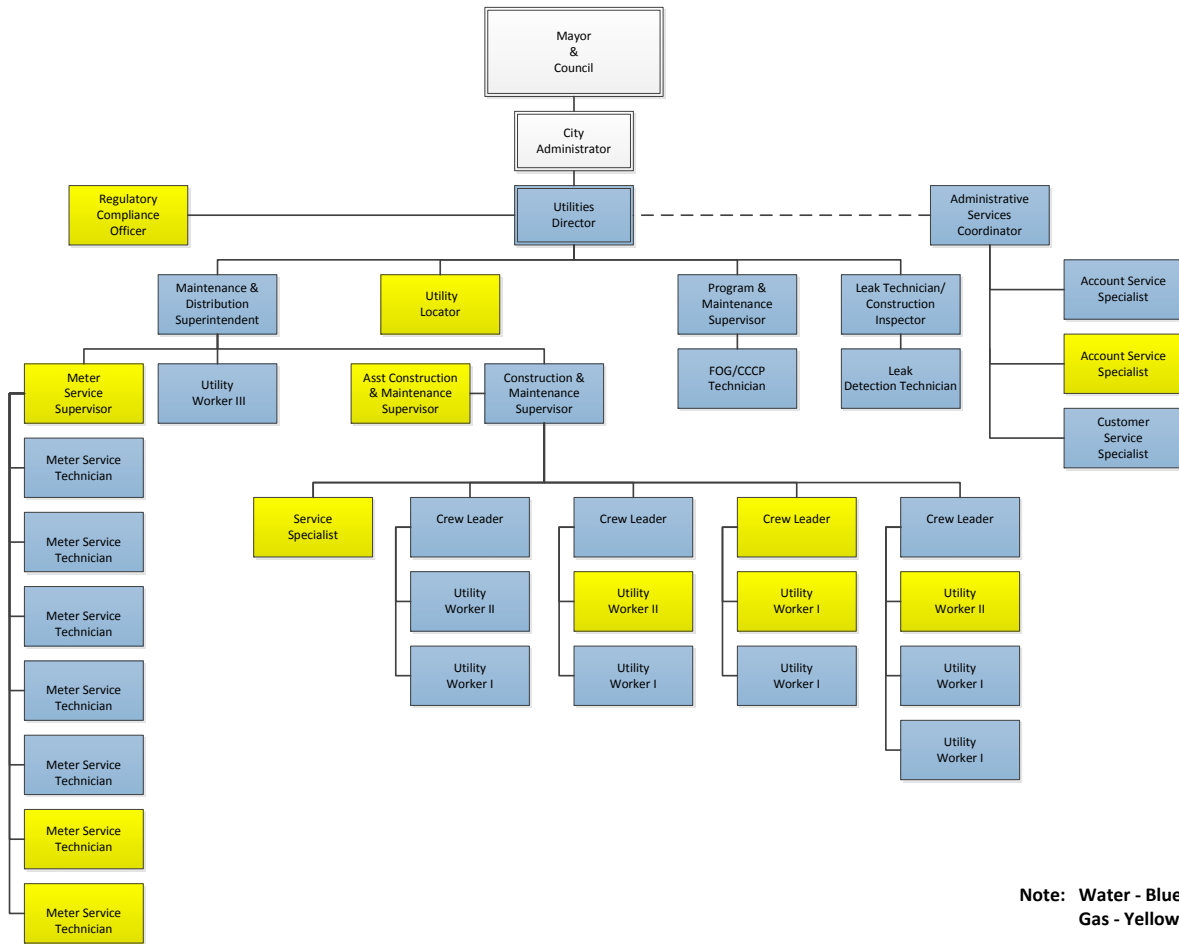

The Gas Fund records revenues and expenditures associated with operation and maintenance of the City's natural gas system. Revenues collected maintain the gas system operations, and distribution infrastructures.

The City purchases gas through the Municipal Gas Authority of Georgia (MGAG). MGAG also assists in marketing gas to new potential residential and commercial customers. The actual cost of the gas purchased from MGAG is passed through to the customers. The City's portion of the gas rates will not increase for the FY 2017 Budget. These rates are \$3.50 per MCF (one thousand cubic feet) for residential customers and \$3.90 per MCF for commercial customers.

The base rates are as follows:

Single Family Residential	\$13.64
Small Meter Business	\$14.65
Medium Meter Business	\$43.48
Large Meter Business	\$67.62

Gas Fund Expenditures

Statement of Purpose

Distribute natural gas to residential, commercial, and industrial customers. The City distributes gas to its citizens that has been purchased from the Municipal Gas Authority of Georgia (MGAG).

Program Objectives

1. Assure that the work of the department is adequately scheduled, documented, and evaluated.
2. Participate in the City's emergency preparedness program.
3. Effective operation and maintenance of the gas system.
4. Maintain investment in infrastructure system.

Solid Waste Fund Revenues

The primary source of revenue is based on fixed monthly charges for solid waste collection.

The Solid Waste Fund records revenues and expenditures associated with solid waste collection which is contracted with Waste Management, Inc. The solid waste collection fee will not increase for the FY 2017 Budget the residential and commercial carts.

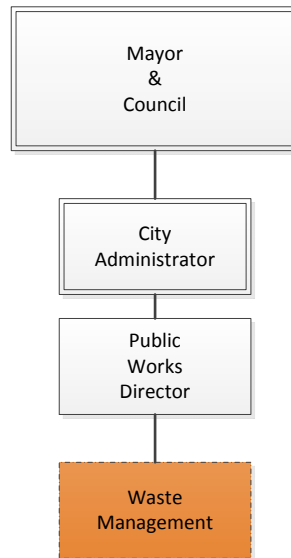

Solid Waste Rates (effective 9/1/2013)

Residential Cart*	\$16.00
Commercial Cart*	\$16.00

*These rates are based on one cart per customer with one pickup per week.

Rates will vary based on the number of carts at a location and how often the carts are picked up.

Solid Waste Fund Expenditures

Statement of Purpose

The Solid Waste Department provides curbside garbage and recycling collection to all single-family residences within the City limits. The Department provides cart service for the businesses and apartments within the City. Dumpster service is open to all sanitation providers.

Program Objectives

1. To provide the citizens, businesses, and industry of Winder with efficient, cost effective solid waste collection and recycling services supporting the infrastructure demands of our growing community.
2. To deliver high quality services with an emphasis on employee safety, public health and the image of the City of Winder.

Capital Outlay

Special Facilities Fund Revenues

The primary source of revenue is rental of the Winder Community Center, rental of the Cultural Arts Facility, rental by Lanier Technical College, and a portion of the Hotel/Motel Tax collections.

The Special Facility Fund records revenues and expenditures associated with the operations of the Community Center, Picnic Pavilion, Cultural Arts Facility, Train Depot and the Lanier Technical College Buildings. The City of Winder rents space to the State of Georgia for Lanier Technical College for a nominal fee.

These facilities enable many people access to have weddings, receptions, parties, and different cultural events right in downtown Winder. Besides being able to rent these facilities for private functions, the Winder Barrow Community Theatre, the local schools, and many not-for-profit organizations host events that enhance this community.

Community Center

Statement of Purpose

The Community Center is available for rent by the general public, non-profit organization, and businesses. The Community Center can host a variety of events ranging from seminars, fundraisers, banquets, and large scale weddings. The Jug Tavern Park is also available for rental needs. Our mission is to provide our guests with attentive professional customer service.

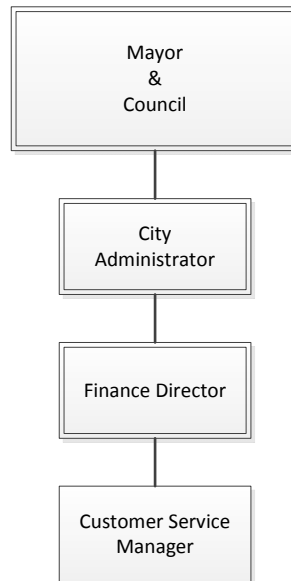

Program Objectives

1. Increase the awareness of the Winder Community Center.
2. To make the Winder Community Center become the number one rental facility in Barrow County.
3. To make the Winder Community Center's landscape as beautiful on the outside as it is inside.

Cultural Arts Facility

Statement of Purpose

To provide an efficient, state-of-the-art venue for all manner of artistic expression, be it visual, written or performed and to continually strive to make a significant and positive difference in the quality of life within our city, county and region.

Program Objectives

1. Provide the best available entertainment to all residents and guests of the area, and at the same time keeping costs to a minimum.
2. Work directly with the Barrow County Board of Education to provide a locally based resource for education, expression and experience in the arts at all levels.
3. Work with area and regional arts organizations to coordinate our efforts and there-by increase the availability of arts and arts expressions for all residents of Northeast Georgia.
4. Enhance the image of the City of Winder by demonstrating to all residents and guests within the Northeast Georgia Region that "**WINDER IS STATE-OF-THE-ARTS**".

Statement of Financial Policies

The City of Winder has developed the following policies to manage its financial and budgetary affairs.

Budget Policy

Budgets are adopted on a basis consistent with generally accepted accounting principles as promulgated by the Governmental Accounting Standards Board (i.e., the modified accrual basis of accounting). When applicable, project-link financial plans are adopted for the Capital Projects Fund. All annual appropriations lapse at fiscal yearend. Georgia law requires the City to adopt a balanced budget each year. A balanced budget is one in which budgeted funding sources equal budgeted expenditures, and fund balance may be used to balance the budget.

Revenue Policy

The City shall strive to maintain a diversified and stable revenue structure to shelter it from short-term fluctuations in any primary revenue source. When possible, the revenue mix shall combine elastic (e.g., sales taxes) and inelastic (e.g., fire taxes and utility revenues) revenue sources to minimize the effect of economic downturns.

Investment Policy

All non-restricted cash and investments will be maintained in a single cash and investment pool allowing for the maximum use of available resources. The City shall maintain an accounting system that allows non-restricted assets to be pooled, while separately recorded on the general ledger. All available idle cash shall be invested.

Accounting, Auditing and Financial Reporting Policy

The City issues its annual financial statements in accordance with Generally Accepted Accounting Principles (GAAP) as outlined in the Governmental Accounting, Auditing, and Financial Reporting (GAAFR) publication.

Debt Policy

Georgia law limits the amount of general obligation debt that the City may issue to 10% of the assessed value of all taxable property located within the boundaries of the City (Georgia Constitution, Article 9, Section 5, Paragraph 1). When feasible, revenue or other self-supportive bonds will be used instead of general obligation bonds. Further, good communication with bond-rating agencies will be maintained in full disclosure on every financial report as well as bond official statements will continue.

Fund Balance in Governmental Funds Policy

The City of Winder established and will maintain classification of fund balance as defined herein in accordance with Governmental Accounting Standards Board statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. This policy shall apply to the City's General Fund and all governmental funds and became effective for the fiscal year ending June 30, 2011. Fund balance shall be composed of nonspendable, restricted, committed, assigned, and unassigned amounts, as defined herein.

Nonspendable Fund Balance – Amounts that are not in a spendable form, such as inventory, or will not be converted to cash in the next operating cycle, such as long-term notes receivable. Also, amounts that are legally or contractually required to remain intact, such as the corpus of a permanent fund.

Restricted Fund Balance – Amounts on which constraints have been placed by an external party, such as grantor, creditor, or laws or regulations of other governments. Also, amounts on which constraints have been placed by law through constitutional provisions or by enabling legislation and are legally enforceable by external parties. Restrictions may be changed or lifted only with the consent of the resource providers.

Committed Fund Balance – Amounts on which constraints have been placed by the City Council, the City’s highest level decision-making authority, through the adoption of a resolution which includes the verbiage “committed for the purpose of”. Commitments may only be changed or rescinded through the adoption of a subsequent resolution; the subsequent resolution shall refer to the original resolution by number.

Resolutions committing amounts must be adopted prior to the end of the fiscal year. However, the amount to commit must be determined within 60 days of the fiscal year-end.

Assigned Fund Balance – Amounts on which constraints have been placed by the City to use for a special purpose. The City Council may assign amounts through the adoption of a motion made during a public meeting of the Council. The City Council also authorizes the City Manager to assign amounts through a written memorandum.

Transfers to special revenue, capital projects, debt service, or permanent funds shall constitute assignments and shall be documented through the adoption of the City’s operating budgets or subsequent budget amendments.

Assignments must be adopted prior to the end of the fiscal year; the amount assigned must also be determined prior to fiscal year-end.

Amounts appropriated to eliminate a projected deficit in the subsequent fiscal year’s budget shall constitute assignments and be documented by adoption of the City’s operating budgets.

Equity amounts reported in special revenue, capital projects, debt service, or permanent funds not otherwise classified as nonspendable, restricted, or committed should constitute assignments.

Unassigned Fund Balance – Equity amounts reported in the General Fund not otherwise classified as nonspendable, restricted, committed, or assigned. Unassigned amounts are the portion of fund balance that is available for any purpose. Governmental funds other than the General Fund shall not report positive unassigned fund balance.

HIEARCHY OF SPENDING

For the purpose of fund balance classification, the City considers restricted amounts spent first when expenditure is incurred for which both restricted and unrestricted fund balance is available. Furthermore, the City considers the following spending order when expenditures are incurred for purposes of which the following unrestricted fund balance classifications are available:

1. Committed
2. Assigned
3. Unassigned

SPECIAL REVENUE FUNDS

Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. GASB Statement No. 54 requires that special revenue funds have restricted or committed proceeds of specific revenue sources that are expected to continue to comprise a substantial portion of the inflows reported in the fund. For this purpose, the City defines proceeds from significant revenue sources as a single or combination of restricted or committed inflows which are expected to comprise 35% of the total revenue and other financing sources of the special revenue fund.

The Finance Director shall be charged with maintaining a listing of all special revenue funds reported by the City. This listing shall include the purpose of the fund and the significant restricted or committed revenue stream(s) this is (are) the basis for the fund.

Glossary of Terms

Adopted Budget

The budget numbers after the City Council has voted on the proposed budget and any changes made thereto.

Assets

Resources having a monetary value and that are owned or held by an entity.

Budget Calendar

A scheduling of tasks to be performed by the departments, internal review, committee and the Finance Department. Each task will have an expected completion date.

Budget Document

A written report showing a government's comprehensive financial plan for a specified period, usually one year that includes both the capital and the operating budgets.

Budget Officer

City Administrator.

Capital Budget

The City's budget for projects, major repairs, and improvements or additions to the City's fixed assets (streets, sidewalks, roads, sewers, stormwater, parks, and buildings).

Capital Improvement

A term that includes land, structures, facilities, machinery, equipment, or furnishings having a useful life of longer than one year.

Capital Outlay

City policy requires the use of capital outlay for capital items with a cost of \$5,000 or more for general assets and \$25,000 or more for infrastructure assets. It also allows, but doesn't require, the use of capital outlay for capital items that cost less than \$5,000 for general assets or \$25,000 for infrastructure assets.

Capital Projects

Major repairs, improvements or additions to the City's fixed assets (streets, sidewalks, roads, sewers, stormwater, parks, and buildings).
