CERTIFIED BACKFLOW PREVENTION ASSEMBLY TESTERS LIST

The following individuals, after successful completion of special training, have requested and have been authorized to test Backflow-Prevention Devices connected to the City of Winder water system. **NOTE:** The City of Winder Water Department does not attest to the capabilities of the below individuals. The State of Georgia requires that any repairs made to a backflow prevention assembly must be performed by a licensed plumber.

This list is provided as a public service and is not an endorsement of any individual.
